Local and District Items of Interest

Literary activities are picking up after the fall selection of books appearing on the shelves 279 were reviewed in September.

Issues of the Canadian Geographic and Journal from April, 1958 to December 1955 inclusive, have been donated to the library by "The Robinson" High School pupils may find these very helpful in some of their Canadian research.

Mr. and Mrs. D.H. Heyer of Victoria, B.C., arrived Sunday to visit with their daughter and son-in-law, Mr. and Mrs. Lloyd Snyder.

Of the graduates of Grade 12 Carstairs High School, six are attending University in Calgary and one at Edmonton University namely, in Calgary, Cheryl Owens, Betty Foss, and Lynn Snyder, Wendy Edmondson; Marilyn Steedly, in Edmonton Jean Wahl, and Norman Fisher.

Joe Williamson is in Victoria this week where he attended his brother's funeral on Monday.

Mrs. C.V. Pearson left last Sunday for the coast where she will visit relatives.

Maurice Downie is a patient in the Liddbury hospital, where he is receiving medical care.

A number from here attended the funeral of William Carmichael on Monday.

Mr. Ed Sibbert was receiving congratulations from friends on Monday, the occasion being his 82nd birthday.

Friends will be pleased to hear that Mrs. Raymond Fiedler is improving gradually from her recent illness.

The regular meeting of the Carstairs Lions will be held next Tuesday evening.

The Legion members have been prepping up their hall the past few nights by applying a coat of varnish to the floor.

Students from the local school will compete at the Oksa School Division track meet being held at Didsbury on Friday.

The postponed P.U.M.A. meeting is to be held in the hall next Wednesday evening.

Warm chinook weather this week is almost like summer and is giving everyone an opportunity to get those outside jobs rounded into shape before winter sets in.

Harvesting is almost done and only a few are left now to finish the last few fields.

SCOUT AND CUB ACTIVITIES

The first regular meeting of 1st Carstairs Boy Scout troop was held Thursday Oct. 2nd. Any boy who wishes to join the Troop can pick up their application form from Floyd Beckman's meetings will be held in the Troop Hall each Thursday at 7:30.

C. G. I. T. MEETINGS

The regular C.G.I.T. meeting was held on Monday, September 29th. It was decided that Carol Holt and Norma Hobbs will attend the Olds Conference, which will be held on Thanksgiving weekend.

A shoebox was held on Friday, September 26th to help finance the trip. A total of \$27 was collected.

We would like to thank all those who supported us so generously.

Our mailing list has been brought up to date this week and readers are reminded that if their label does not show the current month's name they are in arrears. We would appreciate having them drop in and bring things up-to-date the first time they are in town.

Year 'Round Fire Protection

Every week across Canada fire claims a life and over one thousand homes. Financially this means a sickening yearly waste of nearly \$30,000,000—but it is the least of it. More than 100,000 people are injured annually, the typical house fire averages less than \$500 in damages.

What really hurts is that three-quarters of all fire deaths occur in these homes—and that for everyone killed, many more are horribly burned and often permanently scarred. This is human life and human agony.

This is the reason for the appeal during Fire Prevention Week, Oct. 5th to 13th this year, "Give Fire a Place to Start." This annual appeal is made in an effort to bring home to everyone the danger and horrible cost of needless fire—fire caused through thoughtlessness or carelessness.

If the publicity of Fire Prevention week will be the cause of making someone think, and will prevent just one fire and possibly the means of saving one life; then it has served its purpose.

The lesson of carelessness could be brought home more impressively if you stop to remember that in a great many cases the victims of fire are little children. They need to be taught the danger of fire, and no better method of teaching can be devised than by setting a good example for them to follow.

Of every ten fires, nine are the result of ordinary carelessness and neglect of simple precautions.

Trash and other accumulations are a prime breeding place for fire. Make it a point to keep things in a tidy condition and dispose of all old junk and papers not of further use or value. Remember the old adage "A tidy house seldom burns."

Check your stove pipes and other heating equipment. Make sure it is in good repair and ready to go before winter comes to make hot fires necessary. A new length of pipe is only a few cents. Why take chances on old worn-out pipes?

To be overcautious wiring circuits. You are only asking for trouble and many fires are traced to this simple cause. Frayed wiring is another cause of fire and injuries to children. Repair and replace old cords. It's economy in the long run.

Be careful with cleaning fluids and such like. You just might get 20 miles to a gallon—but it will be straight up!

Review your fire hazards now and Fire Prevention Week is as good a time as any to do it.

Mrs. Bix held the lucky ticket to win the doll dreamed in dollar bills which was drawn for at the I.O.E. bake sale last Saturday.

L. B. Pearson Meets The Folks

The Right Honourable Lester B. Pearson of the Liberal Party of Canada paid a short visit to this area on Wednesday October 1st.

Mr. Pearson was accompanied by Mr. Mel Shannon of Calgary, Mr. John Devere and Mrs. Devere Stopping at the Curtis Clark Farm at Carstairs he was welcomed to the Municipal District of Mount Allison View by Reeve William J. Bagin. While enjoying the hospitality of Mr. and Mrs. Curtis Clark, Mr. Pearson met nearly one hundred residents of the district including the Grade XII class of the Carstairs High School.

Reeve Bagin, who acted as host to Mr. Pearson during his trip through the Municipality stated that Mr. Pearson was keenly interested in all phases of our culture and of the farming conditions and problems connected with this Municipal District, and expressed a keen desire to return at a later date for a more lengthy visit.

BANCROFT GIBBS CLUB NOTES

The September meeting of the Bancroft Broughtons W.C.C. was held at the home of Sylvia Good on September 27th. Eighteen members and three visitors were present. We opened the evening by singing "The Crocodile" and repeating the Club Code. The roll call was to pay a penny for each letter in your first name. A dollar of the proceeds is to buy prizes at the convention.

We elected Jean Gratz and Faye March as sick convalescers. We decided to sail casually at the W.I. dance on Oct. 31st at Lons Pine Hall. Mrs. Hauser is going to write the history of Bancroft W.C.C.

In Agriculture we will grow flowers and bring a bouquet to a meeting.

As a bit of fun Sylvia Good had us see how many words we could make out of Bancroft Broughtons.

Pearl Gehring and Gay Oakland had the most.

The hostess served a delicious lunch.

The Bank of Montreal has been undergoing a face-lifting the past couple of weeks. New windows all around and new siding and a paint job will improve the appearance of the building.

The report that they were going to give away all the dirty and crumpled money and use nothing but brand new stuff is believed to be only a rumor.

The vote of the ratepayers on the trailer park by-law will be held on Friday, October 10th. Interested ratepayers should get out and let the council know their wishes.

CROSSFIELD, ALBERTA, THURSDAY, OCTOBER 30, 1936

NEW U. OF A. CAMPUS PLAN FOR CALGARY—

The Department of Public Works presents a scale model of the University of Alberta campus plan.

Mr. Arthur Arnold, Deputy Minister, is explaining to the Hon. E. C. Manning, Premier, Hon. A. R. C. Smith, Minister of Economic Affairs, and Hon. James Harris, the Minister of Public Works the overall plan for the campus. In the photograph are Mr. Sigmond Dietze, Project Architect, and Mr. H.A. Henderson, the Chief Architect of the Department of

Public Works

The campus plan was presented to the City Council of Calgary on October 17th at the University of Alberta. The plan is outlined by representatives from the Department of Public Works and the Board of Governors of the University of Alberta. The scale model has been on display at the Auditorium for the past ten days. The site which is located west of 16th Street N.W. and south of the old Bandit Trail provided by the City of Calgary comprises approximately 312 acres.

Initial plans call for the erection of an Arts and Education Building

and a Science and Engineering Building to be in service for fall of 1937. Subsequent buildings will proceed as student population and requirements expand. In the planning of the layout of the campus, every consideration has been given to the location of the buildings with particular concern to achieve the best advantage from the spectacular scenery available.

Commencement of construction is only awaiting the provision of sewer and water mains by the City of Calgary. It is anticipated that construction of the first two buildings will start in the spring of 1937.

Citizenship Papers Are Available

Federal Department of Citizenship and Immigration announced today that it is receiving a large volume of mail from repatriated applicants for the Alberta Oid Dividend.

One of the requirements dividend applicants must have in proof of either Canadian Citizenship or British Subject status. The Citizenship Branch urges any applicants for dividend who are not sure of their citizenship status to contact the office, 1013B 100 A Street, Edmonton, as soon as possible.

Individuals who received citizenship through the naturalization of parents may obtain a certificate issued in their own names for proof of citizenship, for one dollar. Forms are available at the Citizenship Office.

Records of citizenship are retained in Court Houses across Canada where the application was filed, and in Ottawa in some instances, it takes time to search records and furnish proof.

The deadline for dividend applications is December 31st.

Crossfield on Way to League Crown

Crossfield Colts took the Hanna game to camp to the tune of 20-3 in the first play-off game of their two game total points series, where they met the Hanna stadium in Calgary last Sunday. The second game will be played in Hanna on Sunday.

Crossfield has played a good margin for the second tilt for the league championship. These two teams were tied for first place at the end of season play, but Hanna drew the bye into the final by virtue of a superior points margin. Crossfield eliminated Drumheller in the first round and now stands a good chance of beating Hanna for the league crown, which they have won for the past two years.

Colts' ground attack was the deciding factor again in Sunday's game and barring a drastic upset, the Crossfield representatives will have no difficulty in maintaining their prestige.

Feeders Day Here On November 8th

The Western Stock Growers' Association in cooperation with the Department of Animal Science University of Alberta will up name a Feeders Day Tour and meeting at Crossfield on Saturday, November 8th, 1936.

The tour will meet at Dave Ashmore 2 miles north of Balzac on No 2 Highway at 8:30 a.m. and following an inspection of these premises will visit the lots of Amery and Sons west of Crossfield. The tour will then proceed to the farm and feedlot of Trevor MacDonald, where Danny Macdonald of Paul and MacDonald, Commission Merchants, will outline the desirability of different degrees of market finish. Lunch for 100 people is being prepared by the Crossfield United Church Ladies and will be served in the Community Hall at 12:30 p.m. At 1:30 p.m. the staff of the Department of Animal Science University of Alberta will take over the program in the Community Hall, where Dr. L.W. McElroy will deal with Best cattle feeding. Dr. E.T. Berg with breeding research, Dr. J.E. Broad with dairy cattle and sheep, and Dr. J. Broad with swine feeding. Ample time is being allowed for questions and the afternoon will conclude with a veterinary question box conducted by Dr. O'Donahue.

CLUB OF THAMES

We would like to extend our heart felt Thanks and Appreciation to our many friends for their kindness and expressions of sympathy in our recent and bereavement.

Vienna and Family.

Crossfield Old Times' Round-up will be held on Wednesday, Nov. 25th this year, to make your year now and reserve that date for the big annual get-together.

If you have any news of towns or districts we would be pleased to have it for publication in these columns. Items may be handed in to Harry May's office or sent direct to Crossfield News.

It is these little news bits which make a local paper interesting and it is only with the help of our readers that we can get them.

THE WEEKLY TRIMMINGS

It was after the opera. An expect-
tively woman approached the hand-
some man. If I am not mistaken
she said you are the roomed house-
man who sang one of the roles in to-
night's production.

He was flattered. Yes, madam,
and what can I do for you? he said.

Well I can't find my car, she
answered. Would you be so kind as
to call on "Charlie" at the top of
your voice?

By the way, Sambo, what is y^e
date' now?

Well, I see a diamond cutter
diamond cutter?

Yes, The rubin' grass out on the
barrel' diamond

They had one of their usual tiffs
because hubby came home late for
dinner.

You're always late, she mild in-
dignantly, you were late at the
church the day we were married.
Yes, he said bitterly, but not late
enough.

What has sister's legs, is purple
and pale people?

A sister's legs, purple people
rater.

Mable is going around telling
lies about me, remarked Jane to
her companion.

Don't worry about that dear.

Well, until she starts telling the
truth.

Mrs. McConary criticizes—they
want home atmosphere in a hotel
and hotel service at home.

How can you cure someone of
snoring?

Easy. By good advice, co-suffering
inflation, kindness and stuffing
an old sock in his mouth.

In love of home the love of
country has its rise.

TRIM THOM: TREES—From this
month on the ideal time to trim
your trees if they require it. Espe-
cially the same plantings of poplar
should receive attention. These
little trees always branch out into
several trunks and if left to mature
like that will grow up to be a bush
rather than a symmetrical tree.

Select the best limb or central
about as the trunk and trim all the
other shoots or branches off right
down to the ground.

The central trunk will then take
over the functions of the main stem
of the tree and stretch up sur-
prisingly fast in the next year and in
the years ahead.

If you are interested only in
trimming a windbreak and want the
trees to branch out right to the
ground then leave them without
pruning and you will accomplish
this end. Wait until the best
time to do so necessary pruning on
any trees because at this time of
year there is no sap moving in the
trunk and branches. A little extra
attention given to your shelter belt
or hedge at this time of year when
time is not at a premium will re-
sult in a better looking new use-
ful windbreak.

NOTES FROM THE
DISTRICT AGRICULTURIST

Howard J. Fisher

Farm manure is one of the most
valuable farm products we have.
Much money will be spent for com-
mercial fertilizer every year, yet
most of manure is to be plowed
in. Manure, a by-product of our
livestock industry, when applied to
the land will return its value in
better crop yields due to the in-
creased fertility of the soil.
Manure is perishable—50% of
the value can be lost in three months
by improper handling. Losses occur

by urine run-off, by leaching and
by fermentation, prevention of
losses is important.

Urine content of manure poured
on ground has more fertilizing val-
ue than the feces, loss of this con-
tent can be prevented by simple lad-
ding and tight gutters. Leaching
losses are greatest where manure
piles are open and exposed to wash-
ing by rains, piles under cover have
high amounts of valuable plant
food value to leaching. Fermenta-
tion causes nitrogen to go off as a
gas, this occurs most rapidly in dry
loose piles.

To prevent fertility loss in man-
ure the use of plenty of bedding
and hating directly from barns
to fields is the best method. When
this cannot be done due to labor
field condition or weed seeds build
compost high perpendicular sided
piles, have these piles kept moist
this will reduce losses to about 15%.

Loose housing and deep litter pro-
grams tend to lose manure losses
because of no outside storage or
urine run off.

Manure is valuable, but the re-
turns from it either given or stored
will be realized only when it is
spread on the land.

Mr. R. Simpson returned home Tuesday, after a long absence, where he has been receiving medical treatment.

BORN—To Mr. and Mrs. Don Fox on November 28th, a son.

BORN—To Mr. and Mrs. G. J. Dill on November 27th, in the Epidural hospital, a daughter.

Mr. and Mrs. Burton Alfrey were a Sunday visitors with relatives returning to Calgary this evening.

Mrs. J. Kosh and daughter were Calgary visitors on Thursday.

The regular meeting of the Chamber of Commerce will be held next Monday night at 8:30.

The artistic reader's attention is drawn to the book "The Path of Destiny" by Thomas H. Radcliffe. This is an Canada from the British Empire to Home Rule 1783 to 1940 A.D.

The series starts with "The White and the Gold" by Thomas H. Radcliffe. This is an Canada from the British Empire to Home Rule 1783 to 1940 A.D.

The Legion will hold their Xmas tree and party for the kiddies in the Legion hall on December 12th.

The Chinese weather of the past few days has almost melted the snow which was on the ground, but a change to colder weather has put a stop to the melting and there is every prospect of having a white Christmas after all.

A Social Credit nominating convention will be held in this constituency on January 28th to nominate a candidate to contest the next provincial election, said to be in the offing for next year.

This nominating convention will be held in Carleton.

The regular meeting of the Fish and Game Association will be held in the Legion Hall on Wednesday next, December 14th, at 8 p.m.

Besides the regular business, a nominating committee will be selected to bring in a proposed state of officers at the next meeting.

TALBOT BOAT
Signed by C.R. media to launch a nation-wide search for talent, Fred Talbot will produce the new Trans-Canada Talent Show, a half-hour series designed to introduce talented newcomers to Canadian television. It can be heard weekly on the Trans-Canada network of C.R.C.

CURLEWS HOLD OFFICIAL OPENING OF ARTISIAL ICE PLANT

The official opening of the new artificial ice at the curling rink was observed on Wednesday, when twenty visiting rinks from towns in this area were invited to play a like number of local rinks.

Play started at 1 p.m. and the curling ribbon-cutting ceremony was held during the evening. Food and refreshments were also served to mark the occasion and from reports received, a very enjoyable day was spent.

The mild weather of the past few days have been hard on the ice at the arena and shelling has been postponed to await lighter temperatures. However, with the present change and the promise of even colder weather ahead, ice is expected to be in shape by the end of this week.

Hockey practice will also start on soon as ice is in shape and the club are billed to play their first game next week.

The renovations at the arena are now well on the way to being completed and it is hoped that both hockey and curling will be well served by the changes to the extent that they will come out to use the ice and see the hockey club in action.

On to the new renovated arena which will be opened to the public. Current taxes are being collected through a credit on the floor. The cost is small.

Shopping Carnival Madden Murmurs

Saturday Nov. 26th Mr. and Mrs. H.P. Barry attended the wedding of the latter's nephew, Constable Norman Lefebvre to Miss Patricia Lebeck at Carleton.

The Westbrook H. B. Club held the regular meeting last Friday day 28th of November in the Westbrook school. Officers elected were: President, Alton Sherry; Vice President, Gary Badi; Secretary, Gary Badi; and Worthy Husband, club leader and Victor Sharp is club reporter.

Mr. and Mrs. Ray Haggerty are the proud parents of a baby girl born November 27th.

Midway Notes

The Home and School group had a good attendance Monday evening. Mr. Haggerty and Mr. Haggerty were guest speakers. Mr. Turner explained the school building plan which is to be held Dec. 8th. Singing of Christmas carols was enjoyed by all.

Lunch was served by the committee.

Most of the hunting party have been successful. At least we have some very nice birds to listen to.

MRS. A. PAWSON SORORED AFTER IS YEARS SERVICE

Fred Starnick, area superintendent for the Postal Department, was in the district on Thursday to present Mrs. A. Pawson, postmistress of Big Prairie with a long service badge, which is awarded after 25 years of postoffice service to postmistresses of the Canadian Postal Service.

Mrs. Pawson originally was appointed postmistress at Big Prairie for four years, under her maiden name, Miss A. Pawson, postmistress of Big Prairie with a long service badge, which is awarded after 25 years of postoffice service to postmistresses of the Canadian Postal Service.

She has resided in the area since 1918 and now, with her husband, operates the Big Prairie Store and Post Office, along with their farm.

A BOY HAS DISAPPEARED

By D.C. Drenner
He was not kidnapped by gangsters. Had that happened police would be searching the streets to find him. He was not lost in the woods or on the mountain. Had this happened, Provincial police, forest rangers and hundreds of volunteer searchers would be hunting for him.

He never had been observed for the person who looks like him and brings him back. The fact is that the disappearance of the boy has hardly been noticed. He was gone for a week and not one word about him. After about a month a few people casually remarked that they had not seen him around for some time, but no one started to look for him.

The situation is alarming, but it is true. "For the boy has wandered away from home."

This is mentioned as a hopeless situation because not one in one hundred are ever brought back. It is much easier to save those we have than to lose them and then try to win them back again. Yet there are thousands of parents who have given their children every thing but lost.

Judge Bailey of the Juvenile Court in Carleton, addressing a Youth Rally said, "Eighty per cent of the youngsters averaged in my court come from homes in which no religious training is given and the children parents fail to take their children to church."

The Post Office Department is planning the early mailing of your Christmas cards and parcels to ensure delivery by December 25th. It is also a big help to the staff of the Post Office if these suggestions are complied with.

Christmas turkey business thrives

The turkey business is thriving in the north country, employing 30 people to process turkeys enough to meet the demand of the Christmas season.

Local businesses and homes are busy preparing for the Christmas season, and the turkey business is thriving.

Epic of the Island Yorkshire P.E.I.'s Made-to-Measure Hog

The dramatic success story of Prince Edward Island's hog industry is unique and perhaps unprecedented in the history of hampshire production. For the past 10 years P.E.I. breeders have altered slightly to a carefully worked out program designed to create one of the finest hogs in the world.

Today their efforts are paying off: the percentage of P.E.I. hogs who win the coveted Grade 4 stamp is almost twice as high as the overall Canadian average.

Mr. Duggan is still a patient in the Val-Brother hospital in Calgary while the plans on the school staff to be held by Mrs. Fawcett Bay 20 hours in treatment. From 20 to 30 in all the subjects taught by Mr. Duggan are being carried on.

The Junior Red Cross of the Bay area has been invited to buy a lot of 200 articles to send to the crippled children's hospital. This item had a program sale on Nov. 20 in which over \$700 in was raised. Thanks are extended to all donors who helped by sending.

During the past week the grade seven and eight classes have been elected a student of the school to be authorized. The winner of the election was Mrs. Fawcett Bay 20 hours in treatment. From 20 to 30 in all the subjects taught by Mr. Duggan are being carried on.

The students in Miss. Peters' class have a weekly event. It is one which runs of youngsters has been elected a student of the school to be authorized. The winner of the election was Mrs. Fawcett Bay 20 hours in treatment. From 20 to 30 in all the subjects taught by Mr. Duggan are being carried on.

The students of grade two under the guidance of their teacher Miss. Longway have been busy making a list of all the children who are celebrating Christmas. Many of the children are not yet born.

This has been the week of "Christmas time. Many students have been busy making a list of all the children who are celebrating Christmas. Many of the children are not yet born.

It is always interesting to a student to know that his fellow students are doing well. This Christmas time I hope will be for many opportunities to see some of the children who are celebrating Christmas.

Miss L. Wilson, one of our grade seven students, has been elected a student of the school to be authorized. The winner of the election was Mrs. Fawcett Bay 20 hours in treatment. From 20 to 30 in all the subjects taught by Mr. Duggan are being carried on.

The university students joining the school are very busy. They are all working hard to prepare for the Christmas season. Many of the students are not yet born.

We would ask that everyone who is interested in the school to contact the school. The school is always interested in the school's success.

A Church in the Badlands

Needled in lonely isolation, among the wind-swept badlands of Alberta, is a trim white structure believed to be the world's smallest church. Its diminutive dimensions (7 x 11 x 12) inspire a multitude of faiths from Presbyterians to Greek Catholics; it is kept in sparkling repair by nearby Drumheller's hot-rood enthusiasts who call themselves, appropriately, the "road angels".

Visitors to the unique church stay, simply by pressing the button of their faith, listen to a hymn, together with a 3-minute sermon, and spend a few moments in quiet meditation. There is no collection plate; the church neither asks nor receives any money.

News Photo by Gail Lennart.

Situated in central Alberta, the church is eleven miles westwards from Drumheller on the four-day Dinosaur Trail. Here, where the prehistoric area evokes a mood of reverence and the hand of the creator has heavily over the hoodoo-stained landscape, some come to reflect on the meaning of creation.

Mr. Donald McVigh, curator of the Drumheller Museum, locates hip-bone of dinosaur which roamed Drumheller valley more than 90 million years ago. Strange rock formations which dot much of the surrounding area are known as "hoodoos".

Cur officials have been careful that the little church should not become a mere gimmick to attract tourists. Within 12 months after its dedication on July 7th, more than 12,000 came to worship in the faith of their fathers.

Canada has **5 1/2** million children under 15 years of age.

Canada needs **38** thousand new classrooms in the next five years and

Canada's future is people upon the making sure that every child gets a fair start in life to complete education. That is the important step in the world today.

Bonded seed dealers best

Dealers should be sure they are using "bonded" seed, especially bonded dealers who are bonded to the dealer of the seed.

It is known that seed dealers, in a general sense, are bonded to the dealer of the seed. This is because the seed dealer is bonded to the dealer of the seed.

Obituaries

This district was shocked and saddened New Year's day by news of the sudden passing of James McEwen, 40 years, in this city.

He was born in Mader, Ont. in 1890. He came to Carstairs with his parents in 1912. He resided on the farm until 1931 when he went into business with his brother. They have operated a hardware here since that time. He was a member of the local school board for a number of years and has taken an active part in many local activities including coaching and per. work hockey in winter, basketball, etc.

He was survived by his wife, Mrs. Little, two daughters, Mrs. Owen Boyd of Edmonton and Mrs. K. E. McEwen of Mader, Ont. and one son, James, who is a student at the University of Alberta. He was a member of the Carstairs and District Carstairs Association.

WINE WINNERS ON BRIDGING CARNIVAL

The annual bridge carnival is over but it will not be forgotten in a hurry as it was highlighted by the arrival of Santa by helicopter. This was really a sight to see and many of the older ones will not forget in a hurry it added a final touch to an otherwise very successful carnival.

The crowd in attendance proved the popularity of the attraction, as there were more people in town to see Santa than we have had here since the days of the old Carstairs stamper.

Winners in the prize drawing were as follows:

1. Chrome Ritchie—Jim Aldred of Crossfield.
2. Marble Radio—John Gutterish, Riverview.
3. To Lyle—Bill Stuckey.
4. Luggage—Mrs. Joe Lyons.
5. Electric Fry Pan—C. Shober.
6. Ties—R. Fyfe.
7. Mixture—Garry Thompson.
8. Table Lamp—Linda Garth.
9. Car Radio—V. H. Hertz.
10. Electric Kettle—Bob Thorne.
11. Blanket—M. Fyfe.
12. Carving Set—Guy Sundberg.
13. Camera—H. E. Robinson.
14. House—H. E. Sprague.
15. Electric Lamp—C. O. Holt.
16. Child's Wagon—J. McCordell.

LEGION BOWLING CHALLENGE PLAYBOYS HERE SATURDAY

The Canadian Legion Dominion curling playdowns commence this week end at the local curling rink, with one rink from each Legion Branch at Carstairs, Brandon, Olds, Didsbury, Cremona, Crossfield and Carstairs in competition. The first draw is to be at 7 p.m. on Saturday evening.

The provincial playdowns in this competition is to be held at Hanna at a later date with the Dominion Branch at Carstairs, Brandon, Olds, Didsbury, Cremona, Crossfield and Carstairs in competition. The first draw is to be at 7 p.m. on Saturday evening.

The local rink competing in the provincial playdowns is composed of Art Edmondson, Ken Frost, Ken Wright and Jim Macdon.

The regular meeting of the I.O.G.F. will be held in the Legion Hall on Tuesday, January 12th at 8 p.m.

Warden and Mrs. W. Johnson and grand daughter spent the Xmas holidays with their son and Dr. and Mrs. M. Johnson in Calgary.

Midway Notes

The Christmas program presented by our pupils at Midway was bigger and better, bring pay on at the L.P. Hall they were able to accommodate more friends and parents, but there was still not enough sitting room for all.

Dick Sawatzky was home for the full holiday, Sylvia managed to have leave of New Year's.

We are sorry to hear Bill Chappell is in hospital.

Shating and curling risks are in the make—soon action for all interested.

A birthday party was held at the home of Mr. and Mrs. Jim McCall recently to honor Miss Mary Richardson of Carstairs, who has resided here since her marriage. She was born December 31st, 1879, in Kent, England. One of a family of ten, only herself and a sister in Australia are left. She has been in Carstairs since 1910, arriving in a blizzard, she drove out to this district, then known as Silverthorn, in a log house.

"Miss Mary" as she was fondly called by those who knew her best, was home-maker and nurse to many who retired and lived in Carstairs the past ten years.

A short program was presented by the grand sisters and nephews, after which Mr. Alan Macdonald presented the gifts from family and friends.

The luncheon table was tastefully decorated with floral arrangements and favors, centered with a three-tiered birthday cake. When the cake was cut the youngsters sang "Happy Birthday Aunt Mary." Those present besides the family were Mr. and Mrs. Al Dawson of Calgary, Mrs. Hilda Dawson, Mrs. Marjorie Larson, Mr. and Mrs. John Brown, Messrs. Ken and Doug Burns all of Didsbury.

LET'S KEEP SUNDAY FOR WOMEN

Sunday is the oasis for weary travelers of 20th century life, more of us can afford to pass it by. When Christ arose from the grave a new day dawned, the gospel day. Sunday is the first day of the week and we read that Jesus arose on the "first day of the week." That was called "The Lord's Day" in honor of Christ's resurrection. We still call Sunday "The Lord's Day." Ministers of the Didsbury and District Ministerial Association are concerned that this day of refreshment be available to every man, woman and child. We need the day of rest for physical well-being and the law of our land has made provision for it by forbidding most of the usual week's work on Sunday; but because we have not moved beyond the physical ones, Jesus said "Man shall not live by bread alone." He urged man to take time for meditation and worship. Our country has recognized this need as one of the first things that we citizens—freedom of worship. For men and women who would live well in 1932, this need for worship is a vital one.

We would therefore urge those with responsibility for organizing our community activities to help in making possible as a part of every person's Sunday observance.

Let us uphold and maintain the royal heritage that has come our way, and that has been the heart of making our nation one of the most blessed and prosperous nations on earth.

If the local Sunday worship on the day of rest, will make it a better day, and people who observe it, better people.

Installation of new officers took place at the regular meeting of the Shewan, held on Monday night. During the evening, the Charter was signed in honor of their departed members, Mrs. Kirkland.

Mrs. Lillian Charlton has returned from a two weeks holiday at the coast.

Notes From The District Agriculturalist

To
 Farmers of Fairbairn, Alta.

Proper egg care has a direct effect on the handling and marketing of eggs. It is important to have good eggs in the market and to have them in the best condition possible. The following are some of the things to remember when handling eggs:

1. Gather eggs frequently, at least every three or four days.

2. Do not wash eggs unless they are soiled.

3. Do not use soap or detergent.

4. Do not use water that is too hot or too cold.

5. Do not use a brush or scrubber.

6. Do not use a cloth or towel.

7. Do not use a paper bag or box.

8. Do not use a wire mesh or screen.

9. Do not use a plastic bag or container.

10. Do not use a metal container.

An agent went to visit a friend
in the hospital and said, "You told a
hoax you falling off the scaffold
but it could have been worse."

"How?"
"You could have had a rope around
your neck."

Your son did have a hard time
getting started, didn't he? asked
Mrs. Griggs.

"He did," answered Mrs. Fusty.
"First he went in like his business
and everybody bought electric re-
frigerators. Then he bought a lit-
tle stove and every one stopped us-
ing homes. But he's all right now."
"What's he doing?"

"He's opened a reducing salon.
He figures a man will always be
worried about their figures."

Father—(Don't ask me many
questions, child.
Curly just killed the cat.
Tommy—What did the cat want
Dad?

Smith (to man who is standing
in front of him at bar/ball match):
Do you know how to play draughts
Alan—Yes.
Smith—Well, it's your move.

Talkative Barber (about to lath-
er)—Do you intend shutting your
mouth up?
Customer—No, Do you?

Judge—Prisoner did you steal
that rug?
Tramp—No, Your Honour. A lady
gave it to me and told me to buy
it, and I did.

Mother—Your face is quite clean,
Walter, but how did you get your
hands so dirty?
Walter—Washing my face.

Frog Boy—My dog went to the
dog show and got two firsts and a
second and was highly commended.
Al.

Second Boy—Well, my dog stay-
ed at home and got two firsts and
a feed and was highly delighted.

When the tourist arrived home
he fell on his face and kissed the
pavement of his native city.

No—beach skin?
Freddie—Do you know what
keeps the moon in place, Charlie?
Charlie—I think it must be its
beach.

Druggist—Will you take the med-
icine, or do you want it sent?
Customer—No, I've got to take it.

Proy Boy—My dog went to the
dog show and got two firsts and a
second and was highly commended.

A. J. MARSH'S ELECTION

Mr. A. J. Marsh was elected to the position of President of the Carstairs and District Community Chest for the year 1954-55.

THE VALUE OF FERTILIZERS

There is no one so concerned about the future of the Canadian farmer as the Government of Canada. The Government is deeply interested in the welfare of the farmer and in the production of food for the Canadian people.

NOTES FROM THE DISTRICT AGRICULTURIST

There is a large field of young people who are interested in the future of the Canadian farmer. They are interested in the production of food for the Canadian people and in the welfare of the farmer.

SEALY'S SALE

Sealy's Sale is a great opportunity for you to save money on your Sealy mattress. The sale is on for a limited time only, so don't miss it.

THE ANNUAL MEETING

Carstairs and District Community Chest

will be held in the Legion Hall, Carstairs
 Wednesday, March 11th
 at 8:30 p.m.

All Residents of Carstairs and District are requested to attend and it is particularly important that former Team Captains and Coaches be present.

Local Organizations are requested to ensure that their official representatives are in attendance.

PROGRAM:
 Reports of 1954 activities.
 Election of Officers.
 Appointment of Committees.
 Organization of 1955 Campaign.

THE VALUE OF FERTILIZERS

There is no one so concerned about the future of the Canadian farmer as the Government of Canada. The Government is deeply interested in the welfare of the farmer and in the production of food for the Canadian people.

At the 1954 21st National Fertilizer Convention, a representative of the Canadian Fertilizer Association stated that the use of fertilizers is essential for the production of food for the Canadian people.

NOTES FROM THE DISTRICT AGRICULTURIST

There is a large field of young people who are interested in the future of the Canadian farmer. They are interested in the production of food for the Canadian people and in the welfare of the farmer.

Do you know why a stick stands on one leg, Willie?
Because it would fall if it lifted it.

Don't you find that designing very hard for a pillow? said the kind old lady.
Oh, no ma'am, replied the fed up tramp. I've studied it with straw.

Ma—If you aren't a good boy, I'll fetch a policeman.
Frank—And if you do I'll tell him we don't have a service for our TV.

Clumber—Aley, I think this rope is a bit too thick.
Aley—Don't worry, sir, I have plenty more at home.

Trucker—In what battle was Bet we killed?
Dancer—Hill's 1st regiment.

Angry customer—This watch you sold me is always slow.
Jeweler—Well, sir, you asked for the later type.

Writer—You offer an 11.50 special from South America sir.
Diner—Fed up waiting—'Tis that's where you've been is it?

Is Professor Blinble really short-sighted?
I should say so! I saw him at the Box yesterday looking at the elephant through a magnifying glass.

Actress—I can't take the three parts you've given me in the play.
Manager—Why not?
Actress—Well, in the first act I have to fight with myself and then rush in and separate the two of us.

Father—Where are you going, Teddy?
Teddy—For a stroll, Dad.
Father—Well, just stroll about the lawn and take the mower with you!

A fire and boiler plant situated in
the town of Carstairs, Alberta, was
destroyed by fire on Wednesday
last. The plant was owned by the
Carstairs Electric Co. and was
situated on the south side of the
town. The fire was caused by a
short circuit in the boiler house.
The loss was estimated at \$10,000.
The Carstairs Electric Co. is
now rebuilding the plant.

LAUREL AUXILIARY TO LONDON OFFER SCHOLARSHIPS

The Ladies Auxiliary to the Canadian Legion is offering a number of scholarships to the value of \$100 each, which are intended to assist children of ex-servicemen in advancing their education beyond grade 12 by attending a university in Canada, the Alberta Provincial School of Technology and Art, an approved business college or school of nursing in Alberta during the 1936-37 term.

A cheque for the amount of the scholarship will be paid from the scholarship fund to the designated educational institution on account of the fees payable by each selected applicant.

Further details may be obtained from local interest principals or any member of the Ladies Auxiliary.

School News

Miss P. Foster, Mrs. A. Francis and Mrs. J. Turner, members of the Carstairs teaching staff were guests at the A.T.A. staff banquet held in the hall Wednesday evening.

After a delicious dinner served by the C.W.L. the group assembled in the new auditorium of the Olds school to enjoy a program of abill musical numbers and games. The high light of the evening was the timely, appropriate and informative address given by the guest speaker, Mr. George MacPherson.

Cardinals students have done well in the checker board contest. Prize winners from the local school were Linda Farrell, J. J. Carstairs, Grade 7, and Thelma Eckhardt, 14, Grade 10. Four more received honorable mention—Bobby Ficker, Linda W. Latta, Lola Stearns and Grace K. Illich.

Miss Barbara Jackson of Didsbury has taken up her duties as a student teacher at the local school for the rest of the term.

Mr. E. Ross is back at the job after a spell in the hospital. She reports he has cured of hospital but nothing else.

The structural steel framework is up for the addition to the Carstairs School.

Dr. Keys of the Provincial Dept. of Health, accompanied by Miss Milia, and Mrs. Radde, has been investigating the epidemic of flu and is a larval which has afflicted the school population in recent weeks.

FOUR DISTRICT BONE DISTRICT WHITE.

Kathleen Curvey, Olds

I am pleased to have the opportunity to make an appeal of the extension work in this district for the district. As you probably know, Miss Howard was taken ill in February, however, it is very encouraging to learn that she is improving and I am sure we all wish her a speedy recovery.

The week of May 11 to 16th has been designated as "roast chicken week." Why not serve roast chicken at least once that week?

Here are some rules to keep in mind when roasting a chicken.

1. Place bird, breast side down, on a rack in uncovered pan, with no water or grease added. Baste occasionally with fat during roasting. Turn bird on back to brown unexposed side.

2. There can be no set rule for time required to roast poultry. A chicken, 4 to 6 lb. of 8 pounds, dressed weight, should roast approximately 30 minutes per pound at 300-325 degrees F.

To test for doneness run a metal skewer or fork into the thickest part of the breast (also into thigh next to breast). If meat is tender and juice does not show a reddish tinge, the bird is done. Using a meat thermometer placed in the centre of the thigh, it should read 190 degrees F. or if placed in centre of stuffing, 180 degrees F.

A good poultry, Poultie County, is available free of charge from Marketing Branch, Consumer Section, Canadian Department of Agriculture, Ottawa.

Another excellent bulletin available from the above address is, "What, How to Buy, How to Cook?" It gives to all this helpful book costs. Send for it today.

The pipeline crew have been making good progress stringing the pipe and have the disson opened up from west of town, ending in a northwesterly direction, well beyond the highway.

W.I. Groups Hold Handicraft Display

The W.I.s of Didsbury Constituency held their annual Handicraft Display and Tea in the High School in Didsbury on May 2nd.

In spite of the wintry day many attended.

The judges were Mrs. Moore of Olds and Miss Carney of Olds. Mrs. Rieder and Mrs. Ben kindly judged the plants.

Mrs. E. Dupond R. Handicraft Convention was still in hospital. Miss Ed. Klitch took over her duties most efficiently, ably assisted by Mrs. Fisher.

Mrs. A. Robertson, Home Ec. convener was in charge of the home canning, baking and table decorations, many many red ribbons were in evidence. Mrs. W.I. having the most won the trophy for this year.

Each branch had a separate table for their display which seemed to prove most successful.

The Rugby W.I. catered for the tea with members of the other branches serving in shifts for the day.

Youth Salutes Age

One of Cremona's Senior Citizens was honored on his 76th birthday, on the afternoon of April 30th, by the Grade VII class of the Cremona Junior High School who gathered in the telephone office and presented Mr. Hewitt with a beautifully decorated birthday cake. After a few words of appreciation Mr. Hewitt for his long and faithful service to his community the class sang "Happy Birthday" and "For He's a Jolly Good Fellow."

Mr. Hewitt thanked Mrs. T. W. Bull and her pupils for the lovely token of remembrance and rendered an excellent speech on Good Citizenship for young and old. He also expressed the opinion that our community will be safe in the hands of the future citizens.

Congratulations, Mr. Hewitt. May the community enjoy many more years of excellent service.

MISSIONARY CONVENTION PROVES SUCCESSFUL

The thirteenth annual convention of the Northwest Canada Branch of the Women's Society of World Service of the Evangelical United Brethren Church was held April 18 to 20th at Hanna. The purpose of the convention was to draw up a program to be used in local church societies across Western Canada, including all western provinces.

The new quadrennial theme is "Our Unity in Christ." The theme for the 5th year is "Our Unity With Christ in Personal Living." The quadrennial theme hymn is "O Church of God United."

Guest speakers were Miss Mary L. Warner, executive member from the headquarters of our church at Dayton, Ohio, and Dr. and Mrs. Leader, who served 34 years as missionaries in Africa. Dr. Leader, since home on furlough, received a telegram from the local minister.

Queen, presented him as honorary member of the British Empire for outstanding work done in educational and missionary endeavours in Africa.

A young actress or national M.E. S. Stuart, who was taught in his school and is a member of this church was made First Minister by the Queen recently and was knighted when he came to England.

Highlights of the convention were the challenging messages given by the local A.W.S. and Youth Ministers of the Hanna church.

Mrs. Hugh Francis attended as a delegate from the Canadian district E.U.A. Church.

NOTES FROM
THE DISTRICT
AGRICULTURIST

Edward J. Patcher
The shearer will soon be preparing to take off their annual wool harvest. The importance of having the sheep dry and shearing on a platform to keep the fleece clean cannot be stressed too much, if you use power clippers and it turns cold and wet immediately after clipping, having a shed to go in is good business. The power clippers shear closer and some loss is due to clipping have been reported.

Some care in sorting wool before firing and packing will pay off. Two new boxes and a piece of snow fence makes a good sorting table. If you spread the fleece out on this a lot of the tag ends will slip out themselves through the snow fence. Removing tags to avoid staining of wool picking out spots of black fibre and pieces of chaffy wool while it may lower the total weight of fleeces may bring it up to a grade where the spread in price will more than compensate for the loss in weight. Canadian wool has stiff competition with wool from other countries and it is only by producing a good clean product can we hold our market.

Other seasonal jobs the sheepman should take care while handling the sheep at shearing time, shearing, trimming of feet, this can be done in seconds with pruning shears while you have them caught for shearing. Warning can be done at this time—phenylthiocarbamate in liquid form or capsules. If your flock is small and you have not got a clipping vat, they can be sprayed quite successfully in a chute with a garden hand sprayer using a quart of spray per sheep. Make sure the lamb gets a good spraying at the same time. A satisfactory spray can be made by adding any one of a number of commercial preparations with water according to manufacturer's directions.

A water fight with the fire hose is billed as one of the attractions to go on immediately following the parade and further announcements regarding these events will be announced later.

Three To Contest Didsbury Riding

Today was nomination day in Alberta and all candidates were required to file their nomination papers by this afternoon.

In the Didsbury constituency it was a three-way contest between Lawrence Owens, Social Credit, the present member, and Progressive Conservative nominee, Donald Blum of Carleton Place, and P. Huxlin, Liberal of Three Hills. All three filed nomination papers today and paid their deposits, according to returning Officer Jack Jeffrey.

School Happenings

Friday May 20th boys' and girls' softball teams from Cremona played against Carstairs Grade 8. The result was more or less a draw as the Carstairs boys won quite a victory in their game while the Carstairs girls were defeated by the Cremona girls.

Open house is to be held in the Carstairs School on Thursday June 11th.

School will be opened at 7 p.m. at 8 p.m. all rooms will be closed in order that everyone may see the fashion show in the Auditorium. After the fashion show the rooms will again be opened and all parents and interested persons are cordially invited to come and see the work that has been done through the year. Doughnuts and coffee will be served by the Home and School Association.

Grades two and three completed their baseball game on Monday, June 1st. Grade 3 were victorious. The teachers feel that it is dangerous for pupils to go swimming in the dam south of town and ask parents to allow children to go in only with adult supervision.

The grade five class of the school have been doing work for the Red Cross lately. They have recently sent in an appeal on which there were 24 pictures with money in it. The Red Cross director sent a letter saying there was \$712 in the pictures. Mrs. McCoy had started the appeal going around to the homes for the mothers to see on pictures and put money in them. Last month, Grade 5 sent away \$4.80 from fines and donations. Also they sent away \$5.00 from a candy sale. The candy sale was on Friday, May 29th. This makes a total of \$17.82 that they have contributed this year to the Red Cross.

Written by Karen Shupe, Grade 5

A softball team from Waterloo played against a Carstairs Grade 7 team. Waterloo won and is looking for a return game at the Waterloo.

Patricia Hoxlin, a grade twelve student in the Carstairs School received word this week that she was fourth prize in the provincial Essay Competition sponsored by Golden Anniversary of Flight in Alberta. Besides the honor Patricia gets a book entitled Canada's Flying Heritage by Mr. Frank Ellis.

Jackson W. I.

The May meeting of the Jackson W.I. was held at Mrs. J. O'Brien's home with a good turnout.

Mrs. A. Robertson, whose Topic was Domestic Economics, had arranged a T.V. demonstration. Especially for the Jackson women. How to make a Burnt Sugar Cake proved very interesting. The delegate to Didsbury Conference is Mrs. Mary Gosselin.

A picnic was planned for June 24th when the group and their families will go to the Waterloo. The meeting closed with much laughing a burnt sugar cake.

Community Effort Aids Neighbor

Mr. and Mrs. John Schmick are very appreciative of the assistance given them by their neighbors to get their crop sown this spring. John had quite a siege in hospital and was unable to do the farming himself. However early this spring four neighbors brought their outfit over and went over the entire farm. Then on Thursday last week, twenty four outfits pulled in at 7 o'clock in the morning and by 3 p.m. the entire 300 acres had been cultivated, tilled and sown.

It was a really fine display of community effort and help for a friend and neighbor whom he needed it most. Mr. Schmick says they did an excellent job and he never saw his crop go in so fast.

Ladies of the district were also on hand to help feed the hungry workers and help to demonstrate that the days of the old when neighbors helped neighbor are still very much alive.

Cremona Graduation Banquet

Cremona's first graduation banquet to be held in the school took place on the evening of May 13th. Seventy-two teachers, guests and students attended the banquet.

The following were present: Joyce Fenz, Katherine Cameron, Shirley Roberts, Brian Whitlow, Cecil Ray, Albert McNair and Jim Bagnall.

The Cremona Home and School catered in the turkey and ham banquet. Grade nine girls and ladies of the Home and School served the guests. The waitresses looked very smart wearing dainty aprons tied with school colors.

The room was suitably decorated with ferns and streamers.

Following the banquet the toast to the Queen was proposed by Mr. Husby.

Brian Whitlow proposed the toast to the staff with Mr. Husby repeating it.

A toast to the students was proposed by Mrs. Bagnall, to which Cecil Ray replied.

Many pretty dreams were evident at the ball which was held in the school auditorium after the banquet.

W.I. Mark 50th Anniversary

The 50th annual convention of the Women's Institute of Alberta was held in University Convocation Hall in Edmonton May 26-28th.

To commemorate the founding of the Alberta Women's Institutes of 50 years ago the theme and program were filled with reminiscence. Tuesday evening was party time with over half the attendance of 80 members wearing costumes such as had been worn at W.I. meetings since 1909, from gossamer gowns with their ruffled and veiled lines to tight hats and loose lines to the flapper era.

The provincial president was Miss Jeanette Noble, her talk was a gay remembrance of anecdotes on the early days. She said "I have heard the W.I. creed repeated in Britain and in Asia."

Mrs. John Brown a charter member of Verdant Valley W.I. formed in 1912, was introduced by Mrs. M. G. Roberts and provided entertainment with her reminiscences. Mrs. Roberts on behalf of District 5, A.W.I. presented her with a silver mounted case.

The stories of the past presidents and presidents of the W.I. were along Alberta's early highway (continued on next page)

SERVICE BOARD NOTES

(W. K. Boyce, Head Supervisor)

Disabilities—We are much pleased with this bright young fellow on our machine, Ray Todd, power lawn mower and very little in holding down the part of the machine. He is a very good worker and is not the machine while the others are not.

On the 10th of June we received a letter from the head of the house in Crossfield. These letters should be sent through a small office in the house. This is not a must.

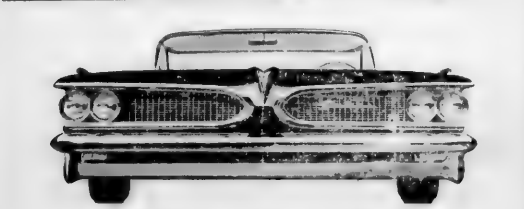

WALTER B. HUGHES

Mr. H. Hughes of Three Mills, Alberta, has been elected as a member of the Executive Committee of the Crossfield District of the United Brotherhood of Carpenters and Joiners of America.

ADVERTISING DOESN'T COST — IT PAYS! — AND THE BUSINESS WHICH DOES NOT ADVERTISE CANNOT SELL FOR LONG. BECAUSE SMALLER SALES WILL INCREASE HIS OVERHEAD ON EACH SALE MADE

SELLING TO BEAT THE BAND... all across Canada!

Proof, you say? Look around you... Pontiac's distinctive twin-grille is everywhere. Naturally, Pontiac dealers are celebrating (offering the best deals in history) during Pontiac's Popularity Program. Pontiac sales are breaking all records, because dollar for dollar it's Canada's greatest car value. What other car offers you Vista-Longer interiors... 50% larger glass area... up to 667" longer brake life... 7 extra cubic feet of trunk space... a choice from six improved, economical V8 engines and Canada's most powerful 6 cylinder engine... improved transmissions and transmissions... and of course all the pride and glamour of Pontiac's trend-setting design? Compare, and you'll agree, Pontiac is selling to beat the band because it is the buy of the year!

Pontiac's Popularity Program is your best Pontiac dealer's way of saving money for the tremendous joy of enjoying your best car and the products he sells. In other words, it's a offering you the best of your year in a brand new Pontiac! Pontiac right now! The best for sure.

Overwhelming choice of people going places...

PORK AND BEANS

THE WEEKLY SHOVEL-FULL

A worker fell from the third story of a building under construction, hit the side walk, and left his widow 2000.

His friends were amazed. Just he again, said one of them. Joe left all that money and he couldn't even spend it.

Yes, added the widow, or fly.

Artist—Oh! Why do you think I should call this painting Home?
Critic—Because there's no place like it?

Why are you laughing?

His: That's nothing to laugh about. You it was, he wasn't in.

Did you hear about the burglar who stole a mile of elastic?

No! What happened to him?
He got a long stretch.

Dinner—One egg, please, poached and put on the hard side, a piece of buttered toast, not too soft, also a cup of tea, fairly weak.
Waiter—Yes, sir. Would you like any special design on the plate?

She—Is it possible for a man to love two women at the same time?
Boyfriend—Not on an average income.

NOTICE

Wiggins Photo Studio, Didsbury, wishes to announce that their studio will be closed from June 20 to August 7th. For delivery of all labbed pictures or for appointments call at Campbell's Food Store, Didsbury.

Mr. and Mrs. E.T. Wiggins and Dr. leave June 20th to attend courses at the Professional Photographers of America School at Winona, Indiana. Mrs. Wiggins will take two courses, one in negative retouching and one in oil coloring of portraits. Mr. Wiggins will take an extended course in advanced portraiture.

The Winona school is recognized by photographers all over the continent as the finest of its kind. Its instructors are picked from the finest studios of America and Canada. Mr. and Mrs. Wiggins hope to pick up many improvements in technique which should result in improved service from their studio.

Hail Suppression

Hail suppression officially commenced at 11 a.m., Saturday, 23rd of June. The project is simply an area with the northern boundary running through Three Hills. Allingham and three miles west of Didsbury. The western boundary runs from three miles west of Didsbury south to Calgary. The eastern boundary of Keweenaw is the Red Deer River and of Rocky View, roughly the range line between 20 and 21 W 4th. The southern boundary, the Curlew road.

Hail reports have been quite near zero in the previous three months, which many farmers feel may be an indication of an above normal hail year. The first two days of operations were days of overcast skies with no threat of hail, although one half inch of precipitation was recorded in the Didsbury office. Sprinklers were operated during the week end but the aircraft was used for cloud-seed observation.

It was interesting to note the path covered by the storm of June 23. This storm developed in the foothills north and west of Didsbury and is reported to have swept across country in an easterly direction, to at least as far as Hume. Due to the early date, very little crop damage would result. The storm a week later, that was so damaging in the Stettin area, is reported to have developed in the Stettin region and swept south-east, reaching its peak in the Athabasca and Saskatchewan areas.

All who have hail reporting cards sent out from the Hail Research group at Stettin, are urged to report hail on their forms as accurately as possible. These reports may eventually prove of real value in connection with the hail problem in Central Alberta.

JUNIOR GARDENAL LEAGUE
FOUNDED IN 1935 SCHOOLS

A Junior basketball league has been formed, with seven teams from the west country participating. The teams and their coaches are as follows:

Monte Carlo—L. Robertson coach. Mounties; Oakes—George Gault; St. Mary's—L. Evans and G. Ray; Crescents—L.C. Ray; Crescents—L.C. Ray; St. Mary's—L. Evans and G. Ray.

Games are scheduled for a home and home series, to start on June 19th and to conclude Sept. 18th. This is a new venture and funds with which to carry on are required by the clubs. Those who wish to contribute toward the purchase of equipment may do so by contacting Mr. Frazier at Crescents or L. Evans at Didsbury. There are school districts in the Crescents area are represented on one team or another, the rest of every individual in our area is interested.

Rodeo Crowd Placed at 2,000

The rodeo held here on Saturday turned out to be a real success. It was sponsored by Carstairs Rodeo Assn. An estimated crowd of 2,000 turned out to see the rodeo.

The parade, led by the local band had a full complement of floats, decorated cars, bicycles, riders and other vehicles and featured many children in costume. A team of buffalo donkeys and a contraption wearing a mouse head caused an occasional comment on the sound.

At 11:30 an old time rodeo light provided further excitement as a team fought for the championship. A good packing to amuse and some spectators, the Jerry Trick Rodeo team led by Bob Himmelfrich and Joe Harding. A coin was tossed and Jerry Trick and Kenny Wood declared winners.

The official opening of the rodeo events took place at the grounds. The rodeo was a success and the crowd was estimated to be at least 2,000.

Prize winners of the rodeo events were as follows:

Saddle Riding—Jack Nichols of Medicine. Archie Craig, Haines; Joe Fox, Morley; Ken Fox, Morley and Earl Smith.

Barrel Racing—Norman Young of Cremona. Larry Cairns, Madden. Harry Desjarlais, Sundre and Bruce Smith.

Challenger—Allen Rupp, Pound. Jack Robertson, Gap. Found. Ian Copthorne, Medicine; Paul Dixon, Morley.

Steeplechase—Bill Oudert, of Bowden; George Label, Morley; G. Hoeniger, Calgary; Harold Collins, Calgary.

Wild Cow Milking—Pat McElroy, Medicine. Bill Lusk, Medicine. Jim Wilson, Calgary; Ray Noble, Medicine.

Wild Horse Race—Ian Copthorne, Cochrane; Bill Sands, Rocky Mountain House; Dennis Cursey, Percy Thompson, Calgary.

Clay's Barrel Race—Marlene Chapell; Jenny Lawrence; Gail Wood and Mary Lynn Chrysalis.

At the conclusion of the rodeo, a ground pig was turned loose. The pig, like everyone else, was too hot to run and was caught by Stanley Shupe.

A record crowd attended the big dance held in the hall at night.

The Rodeo Assn. wish to thank all who contributed to the success of the day and invite everyone to come back next year, when they promise an even bigger and better show.

\$3,750,000 Plant to Be Built Here

Plans for the construction of a \$3,750,000 gas processing plant in the Carstairs area were unveiled here at a meeting of the Carstairs View Municipality on Monday.

The plant is being built and will be operated by Hume Oil Company Limited on behalf of the Canadian Gas Pipeline. It is to be located five miles west and two miles south of Carstairs.

Construction will start on August 15th and the plant is scheduled for completion in March 1960.

It will have a capacity to process 75 million cubic feet of gas per day which will be drawn from the Carstairs field and sold to Trans Canada Pipe Line. The plant will remove the acid gas content by an amine treatment and in addition to the piping gas will be approximately 2,300 barrels of condensate per day.

Arrangements for building the plant have been made with Fluor Corporation of Canada Ltd.

It is expected that most of the equipment used in the new plant will be of Canadian manufacture.

The labor force at 200 men in the construction will be entirely Canadian.

When in operation, the processing plant will be highly important and will employ about 30 people.

The main ownership of the plant will be divided approximately 50% to the Hume Oil Company which controls the field, 25% to the Canadian Superior Oil of California, 10% to Trans Canada Gas Transmission Company, 10% to Trans Canada Ltd. 10% to Hume Oil Company.

Mr. D. W. Hume, Hume Oil Company manager of special projects and J. G. Goble who will be in charge of the operation of the plant, appeared before the Carstairs View Council and explained the project.

Mr. D. W. Hume said Hume Oil has purchased title in Carstairs on which it plans to build several houses for the gas plant employees who will be stationed there. These men are currently going through a special training course to familiarize them with modern gas plant operation.

"THEY BUILT BETTER THAN THEY KNEW"

CHARLOTTETOWN: CRADLE OF CONFEDERATION

On July first Canada celebrates the 25th anniversary of Confederation, a time when the nation firmly took stock of its present, goals itself for the challenges of the future, and re-commenced the traditions and historic occasions which make up the colorful tapestry of its history. Any reconstruction of the highlights of Canada's past must mention the most famous of her historic conferences, the Charlottetown Conference, when the Fathers of Confederation met, and in a friendly exchange of opinion and goodwill, laid the groundwork for the union of all British North America into one vast Dominion stretching from the Atlantic Ocean to the Pacific. The conference heralded a succession of events which led ultimately to union and Confederation, the capital city of Prince Edward Island, has ever since been the proud bearer of the epithet, "The Cradle of Confederation". Above, delegates to the Conference posed for the historic picture on the steps of Government House. Seated (center) is John A. Macdonald, first Prime Minister of the new Dominion when this country achieved nationhood in 1867. A man of far-reaching vision, and the master architect of Confederation, "The John A." as he is often referred to today, stands in the front rank of Canada's national heroes.

Dr. Rodrick MacDonald was a busy 6-year-old at the time of the Charlottetown conference, 1867, said Dr. Rodrick, as he is affectionately known in the islands, gave up his active medical practice only 1 year ago.

Sign painter Willie Scottworthy, who has been making signs for Charlottetown's business and professional men for over 60 years, displays some of his wares. The painting style is a traditional Roman and Italian school, popular during the early days of Confederation.

Confederation promised the Islanders continuous and effective transportation to and from the mainland. Today preliminary studies are underway for a ferryway, and hydrographer Bill Henry charts currents in the Northumberland Strait.

"Widow's walks" can still be seen on city's older houses where wives of sailing men watched over the harbor for safe return of their men. Today they serve as convenient room for television sets. Charlottetown, a city which in recent years has been a busy port, is very much alive to the modern advances of the present.

More Bales . . . Better Bales . . . Because this is

THE BALER WITH SEALED BEARINGS THAT NEVER NEED GREASING

They're right, the famous Massey-Ferguson No. 2 Baler combines that money, time-saving, close every quarter and season. Think of the extra bales you'll have in the time you save.

And . . . every time a bale is cut with the MF No. 2, it's not just a bale, it's a money "baler" due to money savings in every way. The No. 2 Baler can be converted on the spot to make longer, better bales, and for a lot of other ways.

Weeklies Lead Advertising Media in Reader Acceptance

Advertising executives are finding that weeklies are the most effective medium for reaching a large, diverse audience. This is due to the high reader acceptance rates for these publications, which are often read by a wide cross-section of the population. Weeklies also offer advertisers the opportunity to reach their target audience in a timely and cost-effective manner.

Festival Exhibitions at Sask. House

The Saskatchewan House in Ottawa is currently hosting a series of exhibitions related to the Saskatchewan Festival. These exhibitions showcase the rich cultural heritage and artistic achievements of the province. Visitors can enjoy a variety of displays, including paintings, sculptures, and historical artifacts, all of which provide a unique insight into the life and culture of Saskatchewan.

The exhibitions are part of a larger program of events designed to celebrate the Saskatchewan Festival. This program includes a wide range of activities, from music and dance performances to lectures and workshops. The goal is to provide a comprehensive and engaging experience for all visitors, highlighting the diverse talents and contributions of the province.

The Saskatchewan House is a premier venue for cultural and artistic exhibitions. Its location in the heart of Ottawa makes it easily accessible to a large number of visitors. The house's architecture and interior design are also noteworthy, providing a beautiful backdrop for the exhibitions. Visitors are encouraged to take the time to explore the various displays and enjoy the many other activities offered during the festival.

The Saskatchewan Festival is a time of great celebration and joy for the province. It is an opportunity for residents and visitors alike to come together and enjoy the many talents and contributions of the province. New multi-million dollar Braam Project... another forward step in Calgary Power's long-range planning to maintain LOW-COST POWER

CALGARY POWER LTD. has a multi-million dollar bolt in Alberta's progress! While serving the province today, the company plans and builds ahead to maintain efficient, low-cost service tomorrow.

Latest news of Calgary Power's long-range expansion program comes from one of the most isolated regions of Alberta—the lower reaches of the Braam River. In this virtually unknown area of dense forest and muskeg, work is under way on a new power project that will benefit, in particular, residential customers.

When completed in 1964 this important hydro project will complement the 144,000-KW base-load thermal plant at Wharman. The new powerhouse and dam (towering two hundred and thirty feet above the bedrock of the river) are designed for economical peak-load power. From the "big heart" of the Braam, will flow low-cost, dependable power for the "busy periods" when it's needed most.

Watch for further reports on the Braam Development—yet one more example of constant forward-planning at Calgary Power Ltd.

Saskatchewan farmer goes on tour of Russia

T. J. Miller of Roslin, Sask., will be the first Canadian farmer to visit the Soviet Union in 1959. His trip is part of a larger program of agricultural exchange between Canada and Russia. The program aims to foster understanding and cooperation between the two countries' farming communities. Miller will spend several weeks in Russia, visiting various farms and meeting with government officials. He will also be giving lectures and participating in other activities to promote Canadian agriculture.

Miller's trip is a landmark event for the Canadian farming community. It provides a unique opportunity for him to learn about the latest developments in Russian agriculture and to share his own experiences with his Russian counterparts. The trip is also a chance for Miller to build lasting relationships with his Russian hosts, which will be beneficial for both countries in the future.

Local and District Items of Interest

Mr. A. M. Johnson and sister Mrs. Johnson of California returned today from a two weeks vacation at their home in California and will be in the city for a few days. Mr. Johnson is a well known business man and is now working at the home of his sister Mrs. G. E. Johnson.

Mr. and Mrs. Ernest Farrell and family of Shogren and Mr. and Mrs. J. C. Crawford were here from their home in California.

Miss Alice Foster and her nephew from Prince George were in the city on business.

Chas. Day, George Edmondson and Henry Leisner left Saturday for Okanogan to bring back three new horses for the district.

Mr. and Mrs. Farley and Debbie of Edmondson spent the weekend at the home of Mr. and Mrs. Gordon Johnson.

Mr. and Mrs. G. J. Jansky and child left this week to spend a few days visiting relatives at Windyview.

Mr. and Mrs. J. W. Williamson are spending a few days at Edmondson and Okanogan this week.

Mr. and Mrs. Stan Bell left by plane today from Prince George where they were in the city.

Word has been received that the thief who stole the tools at Mill Ford Motors and at the school a week ago was caught in British Columbia and has been brought to Calgary for trial.

The fire alarm sounded on Monday when a fire alarm at the Nick Kordon team caught fire. The fire brigade attended the call, but the fire was too far gone by the time they arrived to save it.

The Village is spreading gravel on some streets and in the alleys, which will aid greatly in smoothing out the rough spots. The work is now in A-1 condition.

Some cement sidewalks are also contemplated and this work is expected to get underway shortly.

Chas. Pearson and family are holidaying at the lake this week.

The weather has been cooler the past few days and crops are reported to be doing quite well. Herds are filling and some fields are already beginning to turn a bit.

HAL SUNDAY BOUNDED CROPS NORTH & WEST

Half, which swept in from north west of Innisfail, played havoc with crops west of Okanogan and on a belt between Okanogan and Edmondson. The storm, which came Sunday afternoon, continued in a south westerly direction and did considerable damage in the Shogren area to the east. Crop damage is said to range up to 100%.

A section of the storm split off and went south through the Cremona district, doing only spotty damage, but several hundred crops were said to have been killed.

No damage is reported in our immediate area.

DEATH

Hail Suppression

The week of July 26th to August 1st was a very dry one and the hail was very severe developed on two days of the week.

On Sunday, 27th of July one of the most devastating storms was seen and years of seedling damage was done to north east. Hail was reported from a large area in the Kootenai district, with varying amounts of damage north and west of Kootenai. A small area of 100% damage occurred south west of Prince Rupert and in the Grand Prairie north west of Calgary, giving a heavy rain in its path, with hail first being reported in the Kootenai district. Reports indicate that seeding has some beneficial effect but with high winds one district received some severe damage. Windy view of damage however, did not appear until the storm reached the Three Hills area. There is evidence that the hail wind shift in that area may have been partly responsible for the damage that occurred. Also, this storm covered such a wide area that it is not possible to give an exact part of the project giving fairly large amounts of rain and it was accompanied by high winds. No reports of damage have been received as a result of it.

Two reports to be a general lack of knowledge of why certain storms are not used at times, particularly, when they may be saved close to areas receiving damage. It is the policy of the operating company to protect their farms in the project with every means at its disposal. But only generators that would give perfect results are used. For example when the upper air movement is from the north west, generators located on the northern edge of the storm need only to the north east and outside the project. In this case, these generators are not put into service. Very often the wind change with the passage of the storm, then these generators may be turned on to seed the cloud cells that may develop in the rear of the storm. The same seeding technique would be used with an aircraft from the north west. The generators on the storm edge, in this case, would not be used.

During the storm of Monday and Tuesday, July 27th and 28th, 275 tons of precipitation was recorded at the Edmondson Hail Suppression office.

The place—Mrs. J. Sutherland's farm on Silver Creek.
The time—July 26 to August 2, 1936.
The boys and leader made up the best campaign in the history of the Carstairs Scouts. Mr. D. Beckner and Dr. E. Compton were the leaders from Sunday to Wednesday and a very exciting and people were anxious time what with rain, hail and wind storm of Monday and Tuesday. Owing to an abandoned dance, complete with snow and dry wood, the forethought of the leaders in taking a trailer for supplies and hay made cooked by the leaders the boys not only earned without ill effects, but actually enjoyed the experience. Wednesday to Sunday, Mr. Doug Scott and Mr. G. Johnson took over as leaders and they were taken. Over night with the older Scouts and one on all day with the remaining boys.
A 10 foot tunnel was built and the boys hope to have pictures at a later date.
The parents, the Scouts and the group committee were to send a hearty thanks to the very able staff gentlemen who made this campaign so successful and who were so generous with their time.

GARDENS TO BE RIGGED
Readers are reminded of the annual flower show to be held on August 26th. Also, the gardens are being held in conjunction with the flower show.

Gardens will be judged on August 26th and 27th in both town and country, and anyone wishing to enter their gardens in the competition should call either Mrs. E. C. Bell or Joe Williamson, not later than Monday, Aug. 18th. Entry fee is \$1.

Midway Notes

Congratulations are going out to several young people this week. Audrey Swanson for passing her grade 6 course comes with letters.

Larry Taylor has another scholar ship in his credit and we understand he is a very successful student.

Douglas Hufverson passed his civil test and received his certificate, then last Friday his picture on the Kootenai Post (Edmondson) was the winning one.

This is quite a summer for Doug he won \$10, for his decorated bicycle at Canada Stampede.

The Bachelor Butternut G. C. lost won second prize at the Didsbury Jamboree.

Jackson W. L.

Jackson W. L. held their meeting at the home of Mrs. Erickson on Wednesday July 26th with 12 members and one visitor present.

Ball ball was answered by each member bringing a bouquet of wild flowers; and pretty they were. Measures were adapted as food. Girls club was discussed and tabled for more discussion at next meeting.

Mrs. Nellie Davison delegates to Edmondson Conference gave her report very capably and very interesting. Meeting was closed with The Queen and a delicious lunch was served by the hostesses.

G.W. ANDREWS NEW MANAGER AT B & M

The Bank of Montreal has announced the appointment of G.W. Andrews as manager of the Carstairs branch, succeeding the late Harold L. Lelich.

Mr. Andrews comes to the post from Delburne, where he was manager since 1924. He joined the bank in 1924, serving at many branches in Alberta, including Drumheller, Vegreville, Edmonton, Viking, Trebo, Watrous, Calgary and Red Deer.

Prior to his appointment as manager of Delburne Mr. Andrews was assistant at Watrous for three years.

While in Delburne he took an active part in community affairs and was secretary-treasurer of the Chamber of Commerce, a member of the Delburne Home and School Association and the curling club.

Married, with two children, Mr. Andrews takes over his new duties next week.

SERVICE BOARD NOTES

W.E. Snyder,
Field Supervisor

Chemical Weed Control in the Fall. Weed killing chemicals are used on about one-third of the crop and average in Western Canada. While it is true that chemicals cannot completely replace tillage in every weed control program, it is a fact, nevertheless, that could and should be more widely used.

An important approach to reducing non-weed control costs is to use chemicals in the fall after harvest to control thistle patches and over winter stalkweed. About Mid September or later spray with 2-4 D, using 1 gallon of 64 ounce Ester to 1 acre or in other words apply at the rate of 1 pound of active per acre. Cultivate or one way about 14 days after the spray treatment.

Farmers who have used this method can vouch for almost complete control of the thistles and winter annuals as well as substantial reduction in tillage operations in the fallow year to follow. Chemicals at the above rate can be offset very well to the fall on stubble fields which will be cropped next spring. Often under wet conditions it is possible to spray for weed control in the fall when fields are too wet for proper tillage. Excessive tillage, a contributing factor to serious soil erosion in wet areas results from attempts to kill perennial weeds exclusively by cultivation. Try replacing two or three cultivations by one chemical treatment. This could save you money, give better weed control and also reduce the hazard of soil erosion.

HOW IS THE TIME TO PREVENT FIRE DANGERS IN THE HOME

October 25th to 26th is designated as Fire Prevention Week across the nation, in an effort to make folks more conscious of the loss of both life and property each year from this cause.

Everyone should take this opportunity to check their premises for any undue fire hazards which they may have. Poor or dirty chimneys should be checked, cleaned and repaired now, before the period of heavy driving electrical outlets or extension cords which have become frayed should be replaced.

Old pipes of paper and rubbish should be disposed of and rags and other inflammables in attic, basement, or under the house should be cleaned from around buildings to cut down on the possibility of fire starting from outside the buildings.

A little thought and care now, may save you a large loss from fire later.

DEATHS

BORN—To Mr. and Mrs. Harry Van Trierling in Calgary General Hospital, a daughter Lynda Jean, 5 lbs 12 oz on September 27th.

BORN—To Mr. and Mrs. Terry Williams on Sunday September 27th, a son in Oshawa Hospital.

C. G. L. MEETINGS

The C.G.L.Y. held their meeting in the Church hall on Monday, September 25th. We decided to have our initiation on October 20th. We also decided to send July Sugar to Sister Oliver Conference in Oshawa on Thanksgiving weekend.

Twice as much shopping to hold the time the Society Committee was right at home! Everything now is especially welcome for Christmas! Our dear old family—and even at super savings! Our sister Val McDonald, Society Committee, at phone 211, Carstairs.

New Hall Board Seeks Guidance

By an agreement with the Village Council, the Board have agreed to have their hall to the town and community. It is to be operated as a community hall in future.

Representatives of the F.R.A., W.S.A., Chamber of Commerce, the Neighbourhood, Men's, G.S.S. Fish & Game Association, and the Village Council met on Tuesday evening to discuss the opening of the hall.

It was agreed that considerable renovation and extension would be needed to bring the hall up to modern standards, but as there is at present no money available for these improvements, it was felt the representatives should take the matter back to their groups for an expression of opinion as to just what type of renovation should be undertaken and ways and means of raising money with which to do it.

They would also be asked to suggest a name for the hall. The representatives are to report back to another meeting of the hall board on October 20th.

The installation of sewer, water and gas and the reworking of the heating arrangement are some of the matters discussed. Also the idea of re-arrangement of the hall to provide a downstairs kitchen for banquets and suppers in the lower hall was considered.

All interested organizations are asked to give the matter some serious thought in the hope that we may come up with some good ideas and a method of implementing them.

Ivan Polivka was named President and Mrs. Harold Winger, Secretary, of the new hall board.

Fire Prevention Week October 4-26th. The poster chosen by the Canadian Fire Marshal and Canadian Association of Fire Chiefs is on display at the Public Library.

You may also read the four-page "Broadsheet" a special edition of Fire-News and the annual report of the Fire Commissioner for the Province of Alberta.

A little thought and care now, may save you a large loss from fire later.

Hail Suppression

The 1950 hail suppression operations which commenced June 20th were terminated on Friday, September 22nd.

Mixed feelings are the result of the operations this year. Many who are severely hail-struck, feel that the project was a failure, while others with 100% damage, feel that since hail is so destructive all places should be able to develop more perfect methods of suppression. There, too many who have hail-damaged crops believe that hail suppression was responsible for protecting them from the many severe storms that occurred this year. Also, there are still some who feel it is impossible to suppress hail.

There are different methods used to suppress hail in different countries throughout the world. The most practical methods have been carried out in Australia, France, Italy, Germany, Switzerland, United States and Canada. It is known that hail suppression is being used in Canada on July 27th, August 1st, and August 2nd.

Some of the European countries and Australia have used rockets which disperse hygroscopic salt into clouds with some apparent degree of success. Also, carbon black dispersed into clouds has given in some cases, however, the method is essential if the low method of using any of these materials or a combination of them, is to be found.

An entirely different weather pattern occurred this year compared to the three previous years of hail suppression. For example, a three-week period in July and most of September had fair hail threats, while during the latter part of June and all of August, very severe conditions developed. The major damage occurred on July 27th, August 2nd, and August 26th, with the greatest amount of damage being done during the last storm. During several days of the operational period, severe hail threats developed but little damage occurred. These situations took place on July 2nd and 26th, and August 16th, 17th, and 18th. Any one of these days could have given severe hail under normal circumstances but no damage of any kind was reported with the exception of a small area east of Carleton on August 17th.

The 1950 storm was spread out to the degree that the two available aircraft were adequate to cover them but this year on at least five occasions, more aircraft were needed to handle the situations that developed. A good example of this situation was indicated during the last major storm on August 26th. The aircraft being dispatched on a five-minute-first-arrived basis were not able to begin seeding the hail afternoon storm until it was within a few miles of the project, where it had already reached a 12 mile width. Up to this point large areas of 100% damage had occurred in the entire hail path. After a time lapse which was necessary for the aircraft, seeding to become effective, the swath of hail damage decreased to 3 to 4 miles wide with little 100% damage. Following the storm as it continued east of the project and again after a lapse of time when the seeding would no longer influence the hail, some damage to 10 miles wide, with considerable 100% damage.

There is evidence that hail suppression was effective on a 3 to 4 mile wide swath (as indicated on back page).

THE WEEKLY NOVEL FULLBarnes—Can you give me a sentence with the word indolence?
Barnes—When I fight anyone, I stand indolence.

You'll be a little while without any news on my part and now I have half a million, beyond the risk.

Goodness! Who cleans 'em all? I don't know.

Now, said the teacher, if I had ten millions to divide among four boys, how would I do it?

Barnes—If I had ten millions, I would divide them among four boys.

Tobacco—Try these cigars, sir. You can't get better.

Customer—I know. I had one last week that did you know what it cost?

Mac—No—I found this one.

Ten, sir, this car is no more than what I mean for the crowd. I will let you know when it hits, and I'll take it.

Barnes—How long will my miss take?

Water—Oh, about the usual for five miles.

Barnes—Where does this road go to?

Yeh—Oh, that's it goes any way. It's here every day.

First boy—My dad built the boat.

Second boy—That's nothing, my first built the Dead Sea.

West—How would you prevent this going over?

Barnes—Oh, it's a little.

Professor—Reading plans.

Professor—Reading plans.

P.C.—Oh, we're looking for a man like a woman. Wouldn't it be better to look for him with a woman?

Mr. Monahan—No, I don't expect an officer, I'll do all the work, but I'll do it.

Barnes—That's not just done.

PLYMOUTH STRESSES SAFETY FOR '59

Featuring a new radical rear-ender design and a new, independent front-end, the Plymouth for 1959 is a vehicle specially designed for modern-day living. Its advanced construction allows for a lower silhouette without taking away from the car's passenger space. A smaller, smoother ride is assured through its revolutionary new independent suspension, proven exclusive with Chrysler of Canada passenger cars this year. Featured here is the car of safety with the design of tomorrow, the Plymouth four-door hardtop.

IN LOVING MEMORY

In loving memory of a noble wife, Mrs. William Charles, who passed away October 22, 1958. Best wishes for the true love that has passed away. God rest her soul.

WINTER HARVEST

For the first time in the history of the Carstairs community, a winter harvest festival is being held on Saturday, December 19, at the Carstairs Community Centre. The festival is being held to raise funds for the Carstairs Community Centre and to provide a social gathering for the community.

The festival will feature a variety of activities, including a raffle, a quiz, and a dance. The proceeds from the festival will be used to purchase new furniture for the Carstairs Community Centre and to provide a social gathering for the community.

The Carstairs Community Centre is a non-profit organization that provides a variety of services to the community. The centre is located at 100 Main Street, Carstairs, Alberta. For more information, contact the Carstairs Community Centre at 333-1111.

POME AND BEANS

THE WEEKLY MOVIE-FEEL

Bill—I wish father hadn't invent that new soap of his.

Fan—Why?
Bill—Well every time a customer comes in, I get washed so a sample.

Fat—Why are you putting all those patches on your linen robe?
Mike—Well, it's like this—when I get a puncture it will be fixed already.

Uncle Sandy—What are you going to be when you leave school, Ronnie?
Ronnie—Very happy uncle.

Actor—I was certainly a hit in the last scene when I was starving.
Friend—Yes, I noticed that even the curtain came down with a roll.

Genl—What do you mean by saying your occupation is gone?
Trump—They pulled down the wall I used to lean on.

Why are you always fighting the boy next door?
He's the only boy in the street I can beat.

Victor—I thought there were two windmills here?
Partner—So there were, but we took one down to leave more wind for the other.

Scrapple—Where people shared their quarters.

OUTLAW—A guy with a peice on his head and a chip on his shoulder.

LIVING WAGE—Approximately 50 per cent more than you happen to be earning.

Remony—Anything the little woman buys.

Clever Man—One who tells a woman he understands her.

Permanent—Hair with cramps.

Diamond—A chunk of coal that stuck to its job.

SWITHL. MAKER—A guy who works with crooked dough.

SERVICE BOARD NOTES

(W.K. Snyder,
Field Supervisor)

RANGE VACCINATION: The drive to vaccinate the summer crop of calves against Bangs disease is now in full swing. There was some delay in getting started due to the fact that harvest was late in being completed. I have been receiving the final reports from a number of Township Captains telling me that they have completed the work in their particular "beat." Indications that the calf population is now as high if not higher than in previous years.

We are happy about the ready co-operation that is being rendered from practically every cattle man throughout the district. The only "beef" if that is the proper term to use, as reported to me by several Captains is simply that in some cases, while the calves are penned up alright, they are not separated the better from the steer calves. This takes time to do perhaps only 10 minutes or so at each farm but when this is all added together during the course of the day it slows work down and means that the Veterinarian is much later finishing the days work and particularly the last few farms in the list for that day may not be reaching until dark or after dark. It would help tremendously if EVERYONE would go to the trouble of separating the heifers, keep them confined in a pen or stall and have facilities ready so that the Veterinarian can speedily complete the job.

The second phase of the program, that of blood testing and examining all reactors will be undertaken as soon as the Federal Government gives the word likely within a year or two. Application has already been made by us for that as soon as it is expedient to do so.

Coyotes—This year farmers are faced with the problem of whether or not they should protect coyotes, says J.B. Guibe, Supervisor of Crop Protection Service and Pest Control. In many districts farmers are starting their winter campaign to control coyotes.

This year thousands of acres of unharvested crop will remain out over winter in many districts. Under these conditions, mouse populations are sure to multiply and very likely will do considerable damage to wheat and stocks. Rabbits, mice and other rodents are natural food for coyotes. Particularly where considerable crop will remain over winter, the coyote may prove a useful predator.

Your Agricultural Service Board has decided after careful consideration that we will place several

5000 baits in selected locations where there is a definite need of reducing coyote population. We have been able to secure several baits from an adjoining Municipality and these baits will be placed very shortly.

1000 composed in a very pointed poison and is one that is more or less selective to the canine population. Coyotes, house cats and dogs. It takes only 1 pound of this poisoned horse manure to finish off a coyote. This poison is used only in the winter time so that the meat of the bait will remain frozen and the coyote will have to spend some time in gnawing out his 1 pound of meat; by which time the poison will be at work, the coyote will stop feeding and will soon be dead.

Discussion—An argument that nobody is particularly interested in.

Fish—Something that if there weren't any, people couldn't tell big stories about little ones.

2nd Polio Clinic Monday, Dec. 7th

Doctors are reminded of the second Polio Clinic to be held in the Legion Hall on Monday, December 7th, from 2 to 5 p.m. If you wish to have your second shot, it is best to be at the hall during that time.

For those who miss the first clinic last month, you may obtain your first shot on Monday, if you wish, and get your second at a date arranged with the Health Unit at a later date.

Do not miss this opportunity to be immunized against this dread disease at the clinic on Monday.

Local and District Items of Interest

Mr. and Mrs. R. Fiedler have moved to their new home on 10th and 1st streets. Mr. and Mrs. J. J. D. Eichel, of David Smith, are the new owners of the Raymond Fiedler farm.

The book "Christmas Customs Around the World," by H. W. Roberts, is now on the new book display at the Public Library. The variety and number of Christmas customs are so amazing that it is almost impossible to list them. The book is a collection of facts and legends on the subject. It is a very interesting and useful book. It is a very good book for the home.

BORN—To Mr. and Mrs. Nick Krich at University hospital on December 2nd a son, Robert John Krich.

Mr. and Mrs. Harry Johnson and Mr. and Mrs. Adam Schuck left today to attend the wedding of a grandson and nephew in Portland.

Watch for the announcement of "The Treasure Tree," a new feature for the Christmas Carnival being held in the Carstairs during the month of December. Bills announcing the event will be in the mail next week and other announcements of interest will also be made.

Miss B. Chover of Calgary spent the weekend at the home of Mrs. J. L. Dine.

Jackson W. I.

Jackson W. I. met at the home of Mrs. Walter Pylor on November 25th, with Mrs. C. Davis, Vice-Pres. in the chair.

The survey of Alberta educational institutions was outlined by Mrs. Louis Hildebrandt, followed by a lively discussion.

Plans were tentatively drawn up for a Christmas party for the W.I. families and a sewing course to be held later in the winter.

From the Presidentess Mrs. E. Hallett recounted the activities of the A.C.W.W. conference in Britain. In her official capacity as constituency convener, Mrs. Alex Robertson outlined the results of a workshop held recently in Calgary.

Each member contributed a gift to the Mental Health Association.

The meeting closed with "The Queen," followed by a delicious lunch served by the hostess.

CHORUS—GAY LARK CHORUS.

The organization meeting of the Carstairs Club was held Dec. 1st, at the Carstairs School. The new officers are as follows:—Club leader, Vera Bell; Secretary, Margaret; Treasurer, Helen Hunt; Vice-President, Val Whitely; President, Margaret Bell; Club organizer, Dale Bell.

There were twelve members and nine new ones in the club.

I.O.D.E. Meeting

Twenty-six members of the I.O.D.E. and 5 guests gathered at the Legion Hall Tuesday, December 1st, for their annual Christmas party and meeting.

A turkey dinner with all the trimmings preceded the meeting. Final plans were made for the New Year's Dance and the Dinner for the blind.

The entertainment committee comprised of Janet Bell, Lillian Riddle, Val Edmondson, and Dorothy Brodman brought forth a series of laughter with their Bill Billy Musical and dance New Work songs. Anyone missing a suit of loud underwear?

Music arrived to distribute the gifts. Evidently someone's dog believe in Santa and was determined to keep him out of the hall. However he did arrive, all in fact, but a whole horse.

BABY REEF CLUB MEETS

The second meeting of Carstairs Baby Club was held November 28th at the Carstairs School. The meeting was presided over by the club president, Mrs. E. Hallett.

A discussion on the subject of the club was held. It was decided that the club should be organized as a society.

Midway Notes

The picnic social held Friday evening at the school to raise funds for Christmas treats drew a full house and was a great success.

Entertainment was supplied by local talent and the Calgary County hospital quartet, which included our own Sylvia, Dick and David Sawley. Everyone reports a most pleasant evening.

The P.U.A. will sponsor a farm management course at Midway Centre. The first class has already been held.

The ladies Curling Club have made arrangements to paint the windows and kitchen at the risk. Any lady interested in curling is asked to contact Mrs. Jack Underhill.

The men have put a good deal of work into preparing the low surface at the curling rink.

The Jack Balderson family attended the golden wedding anniversary of Mrs. Balderson's parents. Mr. and Mrs. Balderson were in Acme on Sunday Nov. 28th.

The November meeting of the Carstairs W.A. was held at the Carstairs School on November 25th. Ten members answered roll call with a list of 25 names.

New officers elected include: Mrs. A. Brandt, president; Mrs. Paul Hanson, vice-president; Mrs. A. Brandt, secretary; Mrs. M. S. Brandt, treasurer; Mrs. H. Swanson, devotionist.

Enough four slips were turned in to purchase another set of dishes. Yarns were brought and sent to Japan. Mr. Al Marsh gave a paper on Hawaii.

Mr. and Mrs. Norm Kelly (Alma Swanson) spent the weekend at the latter's parental home, prior to leaving for Eastern Canada where they will take up residence.

School News

What it costs to repair a child's three days in injury is more than what it costs to do it right the first time.

The intention is to give the child the best of care, but a parent's pride and pain are on a budget.

We'll be living in a better neighborhood than you are. We'll be in a better neighborhood than you are.

What? I didn't know you were moving. We're not, we're staying here.

The thing to remember is that the children's government should be in the hands of the children.

Short child, have a tendency to make good people. Have you ever seen a kid get on a bus about it?

The idea you're going to find in the children's government is that the children should be in the hands of the children.

That's what a kid needs in the shortest distance between him and his mother.

Don't do you want to do this thing? Don't do you want to do this thing? Don't do you want to do this thing?

If you want to know the meaning of "putting things" try looking around to a body.

POKE AND BEAM! THIS WEEKLY SHOVELFUL

As soon as my wife and I start to shovel, my wife always says to me, "Poke and Beam!"
I'm sure that's because she always shovels up the dirt.

A third lady was told by her son-in-law that she should shovel up the dirt and the weight, his wife said, "Poke and Beam!"
I'm sure that's because she always shovels up the dirt.

One woman's pet is a shaver woman's pet.

If you live within your income, you will never have worries or lack of anything else.

A certain woman, while making an inspection of one of the ships at the pier, asked a man if he had any more and inquired as to the character of the ship. He said, "It's all right, but what there is a lot of money in it."

In a small town people will be popular with the people—
and if you haven't any friends, they will hunt some up for you.

What's the average number of times a man says "No" to himself?
One week.

Do you permit your wife to have her own way?
No, she has to do without my permission.

Jimmy Hager, I told you to try to get along with your husband's mother. But motherly regard Jimmy, my wife likes.

A nurse was attending a new patient to his room. How he said, we said you to be happy and enjoy yourself while here as if there were no more of you than the one you have. We know and I'll show you how to get along with it.

"During" the summer, when you are here, when you love me."

Well, he replied, I guess it was when I began to get angry with people who said you were beautiful and attractive.

How much of your first \$100,000.00 will you save by next New Year?

That's right — your \$100,000.00. For, believe it or not, you'll likely save more than that during your working years. Question is: how much will you keep?
Right now is the time to resolve to have a larger part of what you earn throughout this new year. And the place to keep it is in a B of M Savings Account. Make saving every pay-day your goal. B of M's New Year's resolution this year. The B of M will help you resolve to pay saving between meals or get to work on time, but it can help you save.
Why not start your account tomorrow at "MY BANK" — it's a good place to accumulate a portion of the new year you will make during your working years. It takes just one dollar — and three minutes — to open your B of M Savings Account.

Her's resolution-keeper. Ask in your neighborhood for a B of M branch for a copy of our booklet "The Price for Successful Financial Planning." We'll show you how to make up a plan that will help you New Year's goals.

POKE AND BEANS THE WEEKLY MOVIE-PULL

Modern Intercourse—Not long ago a mother and her young son were shopping in a supermarket. The trying to be helpful, picked up a package and brought it to her. On seeing, pointed the mother. She put it back. You have to eat that.

Saled dogs—Buck from a bridge tournament. Mrs. Mayson asked her new maid. Did you clean out that refrigerator as I asked you to?

I sure did, Ma'am, said the maid, and everything was mighty tasty.

Coolman—Quack! Quack! My cool you're on fire!

Freeman—Well if it's the same cold as you sent me yesterday it isn't burn long.

SUBURBAN JOBS VALANT LINE FROM CHRYSLER

An economical and functional subcompact has been added to the Valiant production program by Chrysler Canada. This medium-sized station wagon joins the earlier models of V-100 and V-100 models, now being sold in Canada as the station as the least of the new compact cars.

The station wagon will be available in both sedan and coupe versions, also, but the Valiant sedan has such features as front-end suspension, the economy 4-cylinder engine and fuel injection system. They are built on the same wheelbase as the station, 106.5 inches.

Portrait of a Manager

Normally, you wouldn't expect to find a manager anywhere but behind a desk. Yet Calgary Power's District Managers, and all of their highly-trained staffs, must be ready for service every hour of the day and night, every moment of the year. We have 75,000 square miles of operating area, divided into districts for faster, better electrical service. The legislative

Brown family, now having met a District Manager and one of his capable assistants, recognize them as some of the most civic-minded members of their own community. The Calgary Power District Manager in your area is probably just as valuable a neighbor, and be welcome all of your questions about any phase of electrical service.

Announcing

We have acquired the services of R. W. Sheehan on a permanent basis for Crossfield and district.

Bill has a wide knowledge of farming problems, having been raised on a farm and employed by Royal Motors, of Carleton Place, for several years. First as parts manager and then as General Manager.

We feel sure you will enjoy discussing your important requirements with him.

THE WEEKLY MOVIE-PULL

RATSLU—Can you give me a hint with the word "indignation" in it?
Sandra—When I fight anyone, I make indignation.

Yes, I began my life without any shame on my feet and now I have a willow, I wanted the side man.
Goodness! Who claims you are a liar?

Now, said the teacher, if I had ten pennies to divide among four boys how would I do it?
Blah! Vase! shaking his.

To what family does the whole bring? snapped the gym school inspector.
I don't know, sir, answered Gerdie. No family in this town owns a whole!

Tuberculosis—Try these cigars, sir. You can't get better.
Customer—I know I had one last time and I'm still ill!

Sandy—Why do you wear only one glove? Did you lose the other one?
Moe—No—I found this one.

Why are you laughing?
I've been at the dentist's.
That's nothing to laugh at.
Yes it is. He wasn't there.

Dinner—One egg please, poached and rather on the hard side a piece of buttered toast not too salt also a cup of tea fairly weak.
Waiter—I'm sir, would you like any special design on the plate, sir?

Did you hear about the burglar who stole a sale of elastic?
No. What happened to him?
He got a long stretch.

Schoolmaster—You were laughing at me boy.
Boy—No sir.
Schoolmaster—Then what else is there in this room to laugh at?

Bill—That's a big hole you have in your umbrella.
Tom—Oh that? I put that hole there purposely.
Bill—Whatever for?
Tom—So that I can see when it's stopped raining.

Imagination is what makes you think you're having a wonderful time when you're really only spending money.

Artist—Oh! Why do think I should call this painting "Stones"?
Critic—Because there's no place like it!

Local and District Items of Interest

Mrs. E. Ryland of Ft. Vermilion visited with Con Ryland last week end.

Mr. and Mrs. R. L. Mills attended the funeral of W. Gardner, held in Calgary on Wednesday.

The regular meeting of the L.O.D.E. will be held in the Legion hall on Tuesday, March 8th at 8 p.m.

As we go to press, word has been received of the death of Sheldon Thomas in St. Mary's hospital this morning.

The weather has been wintry the past few days with low temperature down to -25.30 below.

Carl Kowalski expects to be moved to Calgary at the end of the month and someone else will take over on the section here for the C.P.R.

Harry Bell has sold his lot in the north end of town to J. H. Bell, who plans to build a home there.

We are sorry to report that Mrs. J. M. Pinker has had to undergo surgery in Calgary and is said not to be doing too well.

The February report of activities at the public library continues the record making trend of previous months.

150 borrowers are now registered and a total of 307 books were taken out during the past month.

Books for spring will soon be ordered on the government grant application and libraries will continue to brup in their ears' in this very worthwhile community activity.

A donation was received recently from the Carleton Place Students Union to the Library.

The annual bonspiel will commence here next Monday morning and continue all week.

FEEL AND CHANGE AHEAD

Reports of delegates to the annual convention occupied most of the time at the Ritz and Game on Wednesday night. It was also an unusual day for the Ritz. The hotel was a regional director for the Ritz and Game.

The matter of trying to introduce wild turkeys into the area was also discussed and if found feasible, the local group plan to try hatching and releasing these birds in this area.

FAST CLIPPING

Carleton—3rd Friday of every month at the United Church Hall from 12:30 to 2:30 p.m.

Creston—1st Tuesday of every month at the Legion Hall from 1:30 to 3:30 p.m.

Creston—1st Tuesday of every month, 1:30 to 3:30 p.m. All adults will be done for public.

CREMONA REEF CLUB

The February meeting of the Cremona Reef Club was held at the home of Mr. Doug Reid on February 28th. A good show of members and guests were judged. Marguerite Reid and Sharon Reid gave a demonstration on the various uses of a hand saw. After the meeting the business session closed.

U.S.A. GO-UP FARMER MEET

Anyone who purchased farm supplies through the U.S.A. Co-op for the year ending July 31st, 1938, may receive the dividends at a general meeting at Carleton Place on March 7th, at 8 p.m. A report on the last annual meeting will be given and items will be shown. \$10,000 in dividends will be distributed.

The Co-op has also donated to local charities. All farmers and help them are urged to attend this meeting.

Midway F.U.A.

Minutes of the January 28th meeting were read and adopted. About 30 members were present.

As requested by the January meeting to avail ourselves of more information in regards to a Rural Natural Gas Co-operative. Provisional power distribution, Marketing Boards and County System.

C.D. Harder reports that natural gas distribution to rural areas is beyond our means at the present time, of ditching and laying of pipes is done primarily it would still cost about \$7000 dollars a mile. A motion by J. McLaughlin and by J. P. Hauer to discontinue invent investigations on this project failed.

F.U.A. Policy on Electric Power

Even at today's rate it can be taken over through the Provincial Power Commission, operated as a self liquidating agent, which will cost the taxpayer nothing. Although a transfer would have been made only if it had been taken over by the Provincial Government 10 years ago at which time a transfer would have been made at a low cost and costs were lower. A motion by H. Lowen and seconded by J. McLaughlin to table further discussion on this matter to March 18th meeting and to have a special election to establish us on this subject failed.

County System

Following the reports on the January 28th report of D. McQueen secretary of the United County System and Councillor D. McLaughlin, that school and municipal boards can function more satisfactorily by sending into one executive board.

That separate bodies of times may be working in conspicuous, they emphasized the importance, by employing a road engineer better roads can be built.

Marketing Boards

Jim Lare has worked out an agreement on producer marketing boards, comparing present conditions with 1929-30, when conditions were ripe for general unrest in agriculture.

Jim stresses values and drew back to marketing boards. If a number of producers are actively working for the market, it is doubtful if a marketing board could accomplish a price increase. "It could do the marketing jobs as good or better than a compulsory board with strong support. Such method would involve a lot of time for which there would be little or no remuneration.

Generally, marketing boards result in close scrutiny of costs and when result in the general improvement of efficiency among the producers. It is an accepted fact that general improvement in efficiency lowers prices to the consumer.

Jim feels that every producer should make it his duty to study the marketing board situation and then draw his own conclusions.

A motion by C.D. Harder seconded by Jim McLaughlin to support a producer controlled marketing board failed.

A Resolution on Prohibition

Has been drawn up and read to the meeting; moved by J. Lare and seconded by J. Fisher to accept the resolution and have copies sent to F.U.A. headquarters and M.L.A. and the Municipal office, Carleton.

Resolution—Whereas, in any province concerning prohibition marketing boards in Alberta.

Whereas, in any election nearly two-thirds of the voters vote.

Whereas, there is difficulty of accurate enumeration;

Whereas, non-voters are now considered as not in favor of the question.

It is resolved that: Those who do not vote be considered neutral.

County System: Moved by Art Marsh and seconded by Gerry Gooch to be a speaker on credit unions for the April 30th meeting. Carleton.

The meeting was addressed by J. McLaughlin.

School News

Bethel had been the major sport in the school this past winter and the League play is near an end. The Senior Boys' Team has come first in the south half of the League, and will play the winner of the Old-School games.

The Junior Boys have finished first in the League and have won their first game of the total point finish by defeating Deltona 28-11. Jr. Girls finished second in the League, lost last their second final with Deltona 15-4. The Senior Girls have won their Friday night talk about 10.1. The Midget-Hockey team will play Sunday this Friday evening at 8 o'clock p.m. for the annual final of their league. The winner will later play Olds.

The second school concert, presented by Grades 4, 5, 6, 7 and 8, was well attended and brought in gross receipts of over \$40.00.

The school staff will be taking their mothers Mrs. Trick, and all others who helped in any way to make their concert a success. Grades 4 and 5 played a basketball game with gr. 7, winning 9-6. Grade 6 is entering competitions in handwriting, story writing and projects which sponsored by Education, A.B.C. of Industry, and Students' Guide for Canadian Industry.

The school staff wish to thank the people of Carleton who offered their homes in the emergency crowd at the blizzard of last week which made it impossible for many country children to get home. There were some brave citizens who had children to place, his operation are back to normal.

Obituaries

Prof E. Heston died in the Olds Hospital Saturday. A resident of the Carleton district, he was born in Carleton Place, Ont. and came to Alberta in 1911.

He is survived by his wife Florence, one daughter, Mrs. Roy Brown of Olds; two sons, Heston of Calgary and Gordon of Carleton.

Funeral services were held in the United Church Wednesday at 2:30 p.m. with Rev. A.W. Magee officiating.

Interment took place in the Carleton cemetery.

The Ladies Auxiliary to the Carleton Legion will hold a bazaar Saturday 2:30 p.m. and have sale in the Legion Hall on Saturday March 12th.

The regular meeting of the Chamber of Commerce will be held in the hall next Tuesday night.

REV. W. H. HESTON

The public are invited to hear Rev. Heston, who will speak at the Youth Conference in the Church of God Friday at 8 p.m.; Saturday at 9:30 a.m. and Sunday at 10 a.m. on Sunday. They are also invited to attend the play "Old School Days" on Saturday at 7:30 p.m.

"I pay my gas bill on the budget plan!"
"So do I. It helps me plan my budget knowing my gas bill is the same each month."

A convenient way to budget your monthly gas bill!
EQUAL MONTHLY PAYMENTS...
The Gas Bill Budget Plan lets you pay your yearly gas bill over equal monthly installments. Your total gas bill for the year is estimated, then divided by twelve so you pay the same amount each month for the year round. It's easy, convenient, more practical - even cuts your heating bills. Of course, your meter will still be read monthly and actual consumption recorded with the continuing balance noted on your monthly bill.
SIGN UP NOW!

**PORE AND BEAMS
THE WEEKLY SHOVEL-FULL**

Question—What does a dog do
that a man does in?
Answer—Think.

An omniscient wife is one whose
bedroom window one closed thing
about another.

A small town newspaper carried
a news item about a building
young lady who knows bread with
her gloves on.

To this the editor added the fol-
lowing comment: This incident
may be somewhat peculiar, but
there are others. For example, the
editor of this paper needs bread
with his shoes on, he needs bread
with his pants on and under some
of our delinquent subscribers jump
up before long, he will need bread
without a stitch on.

Nothing damages an automobile
more than trying to trade it in.

Well dear said the Fisherman to
his wife, what do you think of these
big fish?

You can't fool me, said his wife.
Mrs. Jones saw you at the fish
market.

Y-y-y Ix, I know, remarked the
fisherman. You are I caught an
may I thought I'd sell some.

A man is always as young as he
feels, but seldom as important.

You can always tell when a man
is enjoying himself at a party by
watching his wife.

PATRONIZING LOCAL BUSINESS PLACES IS SMART BUSINESS

If your advertisement was carried in this space, people would be reading your message the same as you are reading this. If they were in need of goods or services which you were talking them about they might be induced to give you their business!

Advertising helps bring the buyer and seller together and the increased sales pay a reduction in price.

Have you ever felt sheer power? You would here, just as our touring family, the Browns, are doing, in front of one of the original generating units at the Hornsby plant. The Hornsby station was built in 1911 to serve the City of Calgary, and is the oldest plant on the Company's system. Today, there are 11 hydro-generating plants on the Bow River System, contributing over

300,000 horsepower of electrical energy to serve your personal wishes and the bounding needs of Alberta industry. This one generator, powered by falling water, produces 5,000 horsepower; more than 25 modern automobile engines put together! Diane Brown realizes just a very small part of this power is probably cooking her supper in the electric oven at home this minute.

Local and District Items of Interest

The number of books loaned from the public library during the month of April, exceeded the figures for 1938, 104 of which were adult.

New readers are being recorded regularly. A list of new books to be purchased in the paper next week.

The W. L. Jones strawberry tea & lunch sale will be held in the South Station Saturday, June 10.

The regular meeting of the Citizens' Chamber of Commerce will be held on Monday night and a presentation is required.

Ray Olson has commenced excavating for a new house in the north end of town and Mrs. Turner is beginning their new home in the west end.

The primary school children in the district will be in the gymnasium on Friday, May 19th.

The C.W.L. are holding a Bazaar on Mrs. N. H. Harder's Saturday May 13th from 2 until 5 p.m.

HONOR LANGEN FAMILY

Members of the Legion and the Auxiliary held a farewell party in the Legion hall last Friday night for Mr. and Mrs. Ed Langer, who are leaving this week to reside in Saskatoon. They were presented with a purse in which to carry a remembrance gift from their many friends in Carbars.

The ladies aid of the United Church held a farewell party on Tuesday afternoon in honor of Mrs. Ed Langer, at the home of Mrs. L. Munn.

The C.W.L. presented Jean Langer with a gift at their meeting on Monday night.

The C.W.L. presented Jean Langer with a gift at their meeting on Monday night.

Canadian actor, John Drelich, who reads stories by Canadian writers each week on CBC radio, is lately noted for his role as a reporter. He has a reputation as a man of many voices for radio and has had leading roles on television and in the theatre. As a high school student in Vancouver, Drelich suffered from an attack of epilepsy and was suffering a job injury on an automobile accident. He joined CBC in 1935, after gathering considerable experience as an announcer.

Advertising is the most economical way of bringing the buyer and seller together.

Village Meeting

The regular meeting of the Council of the Village of Carbars, convened on April 26th, was reconvened May 3rd at 8 p.m. Chairman M.R.C. Ford, Fred Palmer and John Atchison were present. Lloyd Fox, Leonard Trotter and Sam Fulton appeared to discuss the estimated cost of excavations at the Carbars Cemetery. Areas which the committee hoped might be included in the Village application for recreational grant.

The question of the proposed new house, at 1000 10th St. was brought up. Mayor Ford stated that Mr. Gough in a recent conversation had indicated that the new town to twelve new homes were involved and that he would have the arrangements required with House Old Co. very soon at which time he would present the proposal to Council.

On the invitation of Mayor Ford, Mrs. Munn's Association met with the Council. Mayor Ford expressed his hope that some of business men would be willing to accept the new advisory with a committee of one in his representative department. Carl Pearson, president of the Carbars Association, thought the best way to handle the matter would be each committee selected his own committee members.

Mr. Murray Hargreaves application to lease a house from Calgary and to use it as a hotel, block 10, was approved.

The estimation of Revenue and expenditure of \$74,615.00 was adopted.

By-law No. 100 establishing the various mill rates, school 30 mills, hospital 3.5 mills and municipal 20.5 mills was finally passed.

The meeting adjourned at 1:30.

COUPLE CELEBRATE 25th WEDDING ANNIVERSARY

Friends of Mr. and Mrs. Roy Morgan paid a surprise visit to her home last Saturday night on the occasion of their 25th wedding anniversary.

After a very enjoyable evening, the honored couple were presented with a purse of twenty-five silver dollars as a memento of the occasion.

Another very acceptable gift also was presented, as during the evening, Mr. and Mrs. Morgan were presented with a gift of a diamond ring. This was the grandchild of a new granddaughter, born on their wedding anniversary. This is their first grandchild.

STORES OPEN UNTIL 9 ON SATURDAY NIGHTS

At a meeting of the business men on Tuesday evening the matter of store closing hours on Saturday nights was discussed and it was agreed that stores should remain open Saturday nights, commencing this Saturday, until 9 p.m. It was also agreed that the business men would again help with the radio parade, to be held last Saturday in June. On that day stores will be open until 12 noon.

A number of other matters were also discussed before the meeting adjourned.

ANNOUNCEMENT

those he treated with Cayuga.

There are your loved ones in this case to be the best telling of it you can give to his family. If you are not sure, you can always start with the Cayuga. They will be able to tell you what you need to do as the paper.

We also always pleasure to receive letters of interest and the Cayuga (and under for a survey and information) have been given. And there is no attempt to make them better.

A black and white photograph featuring a horseshoe on the left and a buffalo head on the right. The horseshoe is positioned vertically, with its open end at the top. The buffalo head is shown in profile, facing right. The background is dark and textured. Above the image, the text "First in the West" is written in a bold, serif font. Below the image, the text "The Horseshoe and Buffalo . . ." is written in a similar bold, serif font.

The barometer will indicate—down, as the two-months of Calgary Investing and Realty Co. Inc. when it planned to the West nearly 70 years ago—has captured added significance during these years today the barometer will indicate—bullish being the assessment of the West—its huge potential and as the capital of the most important cities in subcontinent.

POKE AND BEANS THE WEEKLY SKEWEL-FULL

Just as the elderly man stepped from the curb, a huge dog tore around the corner and knuckled him full on his back. He had barely started to his feet when a small dog—grey, broken, against him—knuckled him across again. A passerby rushed over and helped the old boy to his feet. Are you all right?" he asked.

The old man steadied himself then replied "That dog didn't hurt me any but that damned rat tied to his tail nearly killed me."

Two men met in their favourite pub and were exchanging views on SHANTAGE when one said "Yah it's a fact. My wife's an angel, a real angel."

"Man you're lucky," said his friend. "Mine's still living."

A do it yourself fitter a carbon clock, and now it ticks out and says "What time is it?"

Men who are habitually behind in their work are habitually behind in general.

Hesitating, I remain at war 'twixt wit and will not in my thoughts.

An Iowa farmer, on his first visit to the big city, stopped in a plush cocktail lounge and ordered a beer. How much beer do you sell a week? he inquired.

About 30 kgs, replied the bar tender.

I'll tell you how you can sell 30. Eighty kgs, said the bartender, amazed. How?

Simple answered the farmer. Fill up the glasses.

For some folks, roughing it means turning the electric blanket down a medium.

A tourist is a fellow who travels hundreds of miles in order to get a snapshot of himself standing by his automobile.

A flowerwalker, tired of his job, gave it up and joined the police. After several months later a friend asked him how he liked being a policeman.

Well, he replied, the pay and the hours are good but what I like most is that the customer is always wrong.

Madden Murmurs

Mrs. Harry Franks returned May 28th after visiting with her mother in Saskatchewan.

Dick Havens has been a recent visitor in Idaho.

Mrs. Martha Havens spent last weekend visiting relatives in Madison, Idaho.

Wood has been received of the death of Mrs. B. J. Brown of Vancouver, a former Madden resident.

A meeting was held at the Beaver Inn on Monday, May 28th, to discuss the upcoming calf sale. The sale is scheduled for June 8th at 9 a.m. and will feature a variety of calves for sale. The sale is open to all 4-H members and their families.

The Madden Ladies' Club met at the home of Mrs. Hunter in Crested Hill June 1st with thirteen members and four visitors present.

A very enjoyable afternoon was spent and the luncheon followed by the singing of songs.

We wish Little Sula Miller a speedy recovery.

The district club are sorry to hear of Duncan Peterson's accident and to see his condition.

Obituaries

On May 28th, Mrs. Mary Eliza Bell, nee Hollier, aged 82 years, Carstairs, passed away at the Veterans Home (Municipal Hospital, Saturday). Following a lengthy illness, Mrs. Bell was born in 1897 with her sister, Alice, in the same year. Mrs. Bell was a member of the Carstairs 4-H Club and was a devoted mother and grandmother. She is survived by her husband, Mr. Bell, and several children and grandchildren.

Wesley Lattin, a former resident of this district, passed away in Lethbridge hospital on Wednesday June 1st, at the age of 79 years. He came to Carstairs from Monro City, Missouri, in 1907 and farmed until a few years ago.

He was pre-deceased by his wife, Mary.

Surviving are three daughters, Lillian and Irene of Lethbridge and Lillian of Winnipeg; three sons, Marvin in British Columbia, born and stationed in Quebec with the Air Force and Martin in South Dakota. Funeral services will be held from 11 a.m. to 1 p.m. at the Carstairs 4-H Club, Carstairs, on Saturday at 11 o'clock with interment in the Carstairs cemetery.

Mrs. Sarah Jane May passed away May 28th in Lethbridge hospital. Born in Idaho on July 20, 1894, she came to Carstairs in 1930 and married Samuel John May in Toronto in November 1930. They resided in Carstairs and in Alberta in 1936, settling in Crested Hill, where she has resided since.

Surviving are four sons, Walter of Water Valley, Ford of Toronto, Roy and Richard of Crested Hill, and two daughters, Lillian, Mrs. A.M. Boyd of Carstairs and Annie, Mrs. Milton Hickey of Crested Hill; one brother and two sisters; 21 grandchildren and 12 great-grandchildren.

Funeral services were held from the Crested Hill United Church on Saturday, May 28th at 2:30 p.m. and the casket was laid to rest in the Carstairs cemetery.

Members of the RODE have given their playground equipment and the money of paint in the park this year.

Weddings

On Saturday, May 21st, at 4:30 Miss Helen Grace Bourcier, eldest daughter of Mr. and Mrs. Roy Bourcier of Carstairs, and Mr. Gary Porter, of Durban, were united in marriage at the Waterton Memorial Church.

Given in marriage by her father the bride wore a floor length gown of white taffeta and lace and carried a white Bible with red rosettes.

The bride-maid was Miss Elsie Bourcier, sister of the bride, and the maid of honor was Miss Charmaine Porter, sister of the groom.

Both wore waikiki dresses in lavender and carried bouquets of yellow roses.

The groom was attended by Mr. Isaac Martin, of Duchesne, and Mr. Cecil Bourcier, cousin of the bride.

Following the ceremony at which E. C. O'Brien, Minister of Durban officiated a reception was held in the church basement.

The bridal couple left for a two week honeymoon to points in the United States, and on their return will make their home in Durban.

Fish and Game societies are reminded of the annual water and maple about which is to be held this month at 10 p.m. convenient to the moonlight. This should be held once in order that the fish can be turned in to the next meeting.

Dustin Unklesmith have made a cash advance to Carstairs Fish and Game Club, in the amount of \$25.00 to be used for the purchase of crew and maple feet from the members of the district. Five cents per pair will therefore be paid to anyone who brings in three to five fish.

How does it work?

The NRC's *Food Aid* department on the east African coast has been the main agency for the distribution of food aid in the region, while the UN has been active in the area.

That there is a need for food aid in the region is self-evident. The situation is related, however, to the fact that the region is one of the poorest in the world. The population is about 100 million. When prices are high, the region is a net importer of food. When prices are low, the region is a net exporter of food. With Little Worry

Don't fret if you've got a bad toothache. You may not have a cavity, but you may have a loose filling or a cracked tooth. The good news is that you can usually fix the problem with a simple procedure. The bad news is that you'll have to go to the dentist. But don't worry. The procedure is painless and quick. And the cost is usually covered by your insurance.

Dr. John A. Smith, D.D.S., is a board-certified general dentist with over 20 years of experience. He is currently accepting new patients. For more information, call (800) 555-1234 or visit our website at www.drsjohnsmith.com.

All this fuss about spying

(The Hungarian News, Alexandretta, Oct.)

All this fuss over the fact a U.S. national has been caught in the act of spying on the USSR has us more than a little nauseated. Government spokesmen, newspaper columnists, the wire services are overplaying it, just as they appear to do with any item that might be newsworthy such as the marriage of a Princess Mary.

The better than the attitude of spokesmen for various governments who must have been aware these inter-ethnic fights were starting or ending on their soil do a not ring true. I've been around since the protestations of a Khrushchev whose spy rings ring the globe.

5. In time, some material change has been accepted but it is a value, part of logic, elementary and the way that the education on world affairs say one country was to that much more important than income that its foreign service have is complete a knowledge as possible of what is developing beneath the surface smiles of a life.

Then why all this hullabaloo because the Russians have caught one American spy in the act? The men in the Kremlin can be expected to make the most of it for purposes of propaganda just as the Western diplomats do. Or was my Oranien spy ring or the theft of atomic bomb secrets false.

That's part of the game the big powers play. But what seems more than a little out of focus is the fun being made by governments, by editors and columnists on this side of the Iron Curtain. All this wringing of hands at the thought the U.S. would so debase itself as to resort to espionage is as phony as most Hollywood productions. All of us have known that Mr. Allen Dulles has been heading a secret intelligence service out of Washington for years. We have been comforted by that knowledge and have felt our security is in large measure tied in with the effectiveness of this arm of government.

Lets be big enough to admit that mistakes will happen, even in an intelligence service. Lets accept the fact that every major power has its counter-espionage at work to uncover the spy rings of other nations and that sometimes they succeed. Lets give the Communists the privilege of making political capital of the fact they have caught a US spy red-handed. Lets do that without shedding crocodile tears over the fact, and adding our chorus of hypocritical denunciation to that of the men in the Kremlin who have mastered the art of espionage.

We could do with a lot less empty criticism of a U.S. agency of government which has committed the unforgivable sin—that it has been caught spying. More humane in our opinion, would be a bit of sympathy for that U.S. agent, Frank Powers, who may be facing a firing squad merely because of a slip-up, probably beyond his control, while doing his best to keep the free world free.

A novelty mea

Buffalo meat will be available in many stores throughout the country shortly following the slaughter of some 500 buffalo at Elk Island National Park near Edmonton. Buffalo meat has been available at various Canadian cities in the last few years after the annual thinning of the herd.

Things are being made somewhat easier for the shoppers who demand the best in buffalo meat. A federal meat inspector has graded the carcasses on the basis of age, soundness, amount of finish and quality. The grader scored 193 Canada choice buffalo, 197 Canada good buffalo, 187 Canada utility buffalo and five—well "seasoned," we'll vouch—as Canada manufacture buffalo.

Buffalo meat is quite similar to beef although perhaps a little heavier in flavor and texture. Its main attraction to consumers is the novelty and occasionally a good tender roast may be obtained as added benefit. It doesn't appeal to our mundane taste buds, however—the painful memory of ordering and trying to eat whale meat in a plush Victoria eatery stands all too clearly in

Buffalo meat probably puts hair on one's chest, but it will wear your teeth down to the gums.

The 4th Dairy club in this area will be holding their Achievement Day in Olds. The Olds Branch of the Canadian Legion is sponsoring this show here. The Legion Auxiliary will be serving lunch.
 The show will commence at 10:30 a.m. Wednesday July 26th at the Carling Park on the Fair Grounds. There will be a total of about 100 dairy animals on display, 60 some heifer calves and 40 yearlings. The show will continue all day with a noon hour break.
 The club members have looked after these calves since they were born having fed, groomed and trained them for this Achievement Day. Each member will show his own calf in competition with other members of his own club. The top two from each club will enter competition for Grand and Reserve of the day.

The success of these clubs and their Achievement Day is greatly due to support and interest from parents and interested people, however, much of the credit is directly due to the guidance provided by the club leaders. The club room getting, with the leader's name in brackets, are: Bertha (Alex Craig), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent), Gladys (Sprent).

I would like on behalf of these men, the club members, and myself to cordially invite all interested people to come out and watch these 4th members show their animals. I am certain it will be found to be very interesting and educational to spectators, as well as to those taking part in the program.

Thousands Pay Homage to King of the Seas P. E. I.'s Colourful Lobster Carnival

Princess Lida and Island Princess attract tourists from far and wide to the annual carnival at Summerside where lobster dinners presided over by a Lobster Queen are the order of the day. Above: Bessie MacInnes and Sandra Rogers.

Competition is keen in the junior tugboat races but 7-year-old Danny Heckerlein was undoubtedly from behind his colourful entry. Held and track competitors, water sports, parades and dancing keep carnival-goers in holiday mood.

Add Gladiators poses with his imaginative exhibits for the doll carriage parade. Popularity of the Island (nearly around 100,000) runs sharply during the summer season, reaches its high-water mark during the gala lobster carnival.

A Salute to Alberta's Jewish Pioneers

Railway construction gang of Jewish laborers in the early 1890's.

The transcontinental railway—a spiderweb of steel linking a nation together—was built by the labor of many men, among them—frontiersmen and perhaps feared—were the occasional work gang of Jews, immigrants newly arrived from Eastern Europe. Still deemed as their Jewish faith, still harbored in Jewish fashion, and commanded in their own tongue by a bilingual overseer, they worked with pack, axe, shovel and sledge hammer.

The railway builders, they realized they could become a part of the nation which it served. So they stayed—to become the workmen of the whole-way railway towns, and the distant saloons of the homesteaders' communities. Their own became the merchants of the bright new cities of the West; their grandsons are among the business and professional men serving the West's growth, growing population. And, today, the contribution made by the Jewish laborers who helped to build the railway, new chains like a bright thread in the tapestry of Alberta's development.

The Jewish people—their ethnic groups in Alberta—are an integral part of the province, recognized by another "proud Westerner".

The only way to make farming pay... modern methods and machines

You can't farm profitably today by using outdated methods and obsolete machinery. They simply don't meet the demands of modern farming... high productivity and low production costs.

The profit potential of your farm can only be fully realized through utilizing modern methods and the latest farm machinery. Today's farm machinery means up to the task of doing more work faster and more efficiently. Farm labour, a major cost in the operation of any farm, is kept to a bare minimum while the amount of work done per day is greatly increased. Critical farm operations get done at exactly the right time without depending on the availability of high priced farm labour.

Modern Ferguson machines and implements completely fill the requirements of profitable farming—more work with less manpower at lower cost.

**PORK AND BEANS
THE WEEKLY SHOVEL-FULL**

Schoolmaster can anyone tell me the name of something that shrinks when it is washed?
Bright Pupils—A piece of soap.

Patience—Why didn't you tell me the truth when I asked you who broke the window?
Son—I thought my story was more interesting.

First Small Boy I'm going to grow a mustache when I grow up.
Second Small Boy—Why?
First Small Boy—So that I won't have so much face to wash.

Tom Boy "in country for first time"—Why doesn't that cow have horns?

Country Friend—Well, the chief reason is that it's a horse, not a cow.

Plumber—Get a leak in your water pipe, eh? Well stick your hand over it well! I find out which day I can come.

Teacher—A fool can ask questions that a wise man can't answer.
Pupil—So wonder we didn't pass our exam.

Actor—When I played my last part on the stage the audience were clued to their seats.
Critic—Well, that was certainly a good way to keep them there.

Teacher—Don't me, Jack, how dirty you are? What would you say if I came to school as dirty as you?
Jack—Please, sir I'd be glad to wash.

First Trump—Bill, what would you do if you were left a fortune?
Second Trump—I'd have cushions put on all the park benches!

"FIRST CHOICE
with those
who know
hay best!"

**It's the
SUPER
HAYLINER**

**SMOOTH
BALING
AHEAD**

Hay has no sharp corners in New Holland's Super Hayliner 21-U. One smooth motion carries it from wide pick-up to chamber. You get the greatest, loudest bale you've ever made... firm, square, extra rich in nutrients. The Super 21-U hay baler, has fewer moving parts to wear, is more economical. And with optional Tractor-Safe Controls, you can handle the baler right from your seat. Choose twist or row... engine or tractor drive.

**Be ready
when
the crop
says**

With a fast-running McCormick 21-U mower you can cut and prime and return content of the hay as it's pushed before you start mowing—and still have speed to get the job done. 1—Quickly and easily attached by one man. 2—Cuts wide, close mowings without backing or bumping. 3—Feeds any kind of mow or header with standardized PTO and distributor. Let us show you the full line of McCormick Hay Machines. Be ready when the crop says "CUT!"

MORE HOPPOWER...

LESS MAINTENANCE...

THE KEY TO MORE PROFITABLE FARMING

The basic principle of sound farming economy is getting the maximum amount of work done at the lowest possible cost. The only way this can be accomplished is with modern farm machinery.

Modern farm machinery is designed to do more work in less time at lower cost. More horsepower per man allows you to reap full benefits from today's more productive farming methods by keeping labour costs in line. It also assures you of a reliable work force you can swing into action at a moment's notice. Critical farm operations get done without delay and without depending on the availability of high cost farm labour. Whatever kind of farming you do you can look to Massey-Ferguson for the machines and implements that will do every job faster, more efficiently, and more economically.

See your Massey-Ferguson dealer.

BUILDING PERMITS

Nearly a number of building
permits have been presented to the
Council after construction had been
commenced.

In future, applications for building
permits will not be considered
unless accompanied by plans in
duplicate and construction shall be
stopped until permits are approved.

H. C. SONKERVILLE,
Secretary-Treasurer,
VILLAGE OF CARSTAIRS

NOTICE TO TENDERS

Sealed tenders for the construction
of a small ADDITION to the
CARSTAIRS COMMUNITY HALL,
for the Town of Carstairs will be
received at the office of the Architect
or at the Town Office, Carstairs
Alberta, up to 5:00 p.m. Tuesday,
September 13th, 1960.

Plans may be obtained from the
office of E.C. Baker and Associates,
104-6th Avenue S.E., Calgary, upon
payment of \$10.00. The deposit will
be returned on return of the plans
within ten weeks of the receipt of
the tenders. If not returned within
that period the deposit will be
forfeited.

Each tender must be accompanied
by a certified cheque or Bid
Bond in the amount of five per cent
(5%) of the total tender price. The
successful Contractor will be
required to post a Surety Bond to the
amount of fifty per cent (50%) of
his tender upon the signing of a
contract. The lowest or any tender
will not necessarily be accepted.

Bystanders on the Halifax waterfront were unaware that the 40,000-ton American aircraft carrier *Tower* was about to pay an unexpected visit to the unimagined building. The flight deck of the ship is shown just as it struck the second floor of the structure, making a chamber of a medical officer's office. The carrier was on a routine call to Halifax.

The U.S. Defence Department has released this picture of the saucer shaped research aircraft being developed for the Army and Air Force.

A Frenchman turned baronet, Sir Robert Peel, left his seat in the House of Commons to go to the country side from his "traveling" days. A steam caboose? The new baronet is in a little of a state of grandeur on Devon, England. He is on his way to England to claim the estate.

Canadian fall fashions have been unveiled at 10 p.m. showing by the Toronto Manufacturers' Dress Guild. Dominant color for fall is purple, although smart summer models shown by Barbara Ellis presents a casual but stunning appearance in brown and gold tweed. The buyers, by the way, are now known as home ticklers.

Braxean Storage Development Progress

Work on the Braemar Storage Development 100 miles south west of Edmonton has been under way since early spring.

The active stages of the multi-million dollar project is designed to provide waste storage on the Grand River, a tributary of the north Saskatchewan river to be utilized by the public to produce downstream from Edmonton. Water will be stored during the summer months and released during the winter low flow period. The initial design is for 150 ft high and with power to allow for flow of storage. Large amounts of water should be available in the winter of 1984. A large dam is under way and will be completed by 1985.

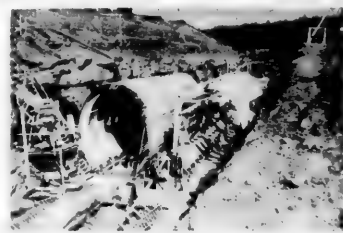

At the present time work is progressing on a new drill house. It completely encloses the unwatering conditions each 1000 feet long and some 10 feet in diameter. The floor will be covered with these conditions which

the dam is being constructed. Van
stock piles of gravel and clay are
being made ready for the construc-
tion of the earth fill dam which
will require over 400,000 cubic

Much of the gravel is being taken on rim land upstream of the dam site and must be moved to higher ground as the area will be flooded.

Present plans do not call for the first generation units to be installed until 1983 or later depending on the demand for power. The present plan will be decided about 1 mile downstream from the dam site. And, we're afraid the dam will be put into a canal leading to the power house. From the canal the water will drop into 200 feet of water. These "backwaters" is present in the situation that is the demand for power. There could be possible 500,000 tons of more units of 2000

...and the fact that the system is designed to be installed in a way that it can be removed without the need for any special tools or equipment.

INDUSTRY GROWS ON ELECTRICITY

You could say that Industry needs Vitamin "E" to grow — "E" for Electricity. An indication of any country's industrial growth can be measured by the amount of electricity generated and used. Alberta's rapid industrial growth over the last few years has been envied by many, and this growth continues. The Brown family, on a tour of Calgary Power's facilities, are seeing one of the ways that electricity helps the oil industry — working

together to provide employment and prosperity for Alberta. They realize now, as never before, that such industrial progress could not have been possible without abundant electricity, planned for and developed in advance by Calgary Power. To-day, Calgary Power's engineers are planning for the demands of Alberta's industries in the future. Helping industry to grow is part of our picture of service.

NOTES FROM
THE DISTRICT
AGRICULTURIST

Howard J. Puthier

Every year over 300 Canadians lose their lives on the farm due to an accident. This is only part of the story as every time this number is increased by one, another family has an injured member and in some cases more serious injury or crippled for life. This toll can be reduced if greater care is taken in doing the work on the farm. Most of this suffering is caused by misjudgement and carelessness.

All equipment that is being used should operate well. This includes games, sports tools as well as machinery. Where some thing you are working on and often leads to a

highest education in fields where they will see the opportunity — through scientific research and pursuits in the public service to contribute in some notable way to the common good of the nation in the years ahead.

To all of these students we extend warm wishes in their endeavours to qualify for the additional valuable scholarships to be awarded each year until 1967, when the Plan culminates in Canada's

These four promising young Alhur students are among the 50 from all parts of Canada who will shortly begin the college careers in the Arts or Sciences at the Universities of their choice under the Bank of Montreal Canada Centennial Scholarship Plan. Each of these students will receive a scholarship of \$750, in the first year of the Bank's seven-year Plan.

We, at the Bank of Montreal, congratulate these exceptional young people. We are happy to assist them in their quest.

SEE THE ADDITIONAL AWARDS FOR WHICH THESE CLIENTS MAY QUALIFY

48 SCHOLARSHIPS OF \$1,300...

In the Spring of 1967, the top 16 of more than 50 students will each be awarded a B of M Scholarship of \$1,300 for second-year university training.

In 1967 and 1968, provided an honored second-class grad has been matriculated, these same students will each be awarded a B of M Scholarship of \$1,300.

**BANK OF MONTREAL CANADA
CENTENNIAL AWARDS OF \$5,000**

In 1967, to celebrate this seven-year plan, the five top students—one in Arts and one in Science—will be chosen, from all 36 original participants in the plan, to receive the Bank of Montreal Canada Centennial Awards of \$5,000 each for a further year of study anywhere in Canada or overseas.

24 FELLOWSHIPS OF \$3,000...
In the Spring of 1964, the top eight class 14 students will each be awarded a B of 14 Scholarship of \$3,000 for a year's study anywhere in Canada.

Then, to each of those two winners — if they have been participants throughout the plan — the Bank will have provided financial assistance amounting to \$19,230.

.....

Scholarship Students are chosen as usual

In 1963 and 1964, provided a satisfactory standard of work has been maintained, these units awarded 9.6 each. It awarded a B of M Scholarship of \$3,000 per annum for further study leading to their Degrees.

THE WEEKLY MOVIE-FULL

This is the most funny I've ever read, complained letter. I shall tell your father about it. I wouldn't if I were you, indeed. He would be mad!

Rechnomaster—Can anyone tell the name of something with one horn that is very dangerous?

Wille—You air—a motor car.

Ball—Have you heard that they're not making (sawpots) any longer?

Ball—They're long enough already.

CARSTAIRS SCHOOL
TOPS IN DIVISION

(M) Allan Edward Kjerfve, Margaret Patricia Jopp, Linda Lucy Morrison (M), Albert Gerald Lutz, Alexander Negropoulos, Neil John Owen Myrna Jean Fowleth, Sharon Jean Hitz (M), Frederick Garfield Buchanan Patricia Deane Russell (M) Allan Joseph Saville, Judith Ruth Smith, Donald George Stewart, Jennifer Ruth Taylor, (M) Donald Allen Webbsom, Donald Arthur Wolf.

Sandra Schind—Clayton William Jackson, Marjorie Elaine Jones (M) Maryvive Devira Marshall, Kenneth Leonard Walker.

Auditors indicated as (M) received matriculation accepting that they took six selected courses and received standing acceptable for University entrance.

The student receiving the high all standing in the Division is the sixth Ann Fox of Didsbury with an average of 89% on six subjects, followed by Miss Carol Joyce Shand of Carstairs, with 78.5% and Gunner Henningsen of Olds, with 77.5%.

June Examination results were as follows: Carstairs School, 100 papers, diploma pass 104, matriculation pass 75, failure 5 papers, Vernon School, 42 papers, diploma pass 38, matriculation pass 28, failure 4 papers, Didsbury School, 120 papers, diploma pass 104, matriculation pass 53, failure 28 papers, Yola School, 212 papers, diploma pass 197, matriculation pass 140, failure 25 papers, Sundre School, 97 papers, diploma pass 98, matriculation pass 52, failure 26 papers, to this basis of papers written 'average attained 85% diploma pass, Vernon 90%, Didsbury 78%, Olds 70% and Sundre 70%. For the Olds School Division as a whole 55.3% of papers written were diploma pass, which is slightly above provincial average.

The Grade 12 matriculation program is highly competitive. Those taking the program are already a select group. On any one subject only 50% of those writing attain matriculation standing or a mark of 50 or better. The matriculation student thus must be in the top 1% in each of six subjects. It is estimated that over the province the number who attain matriculation is down to about 20% of the whole Grade 12 group.

New Golf Course Plans Approved

At the Golf Club meeting on Monday night it was decided to use the present course for another year in order to allow time to get the new course in shape.

Plans for the new course were submitted and the committee was instructed to incorporate the best features of all the plans into the new course. Trees have been ordered and will be set out to add to the beauty of the grounds and an approach will be built.

The committee composed of Roy Morgan, Elling Lee, Roy Himmelfarb, Clarence Ashby and John Paterson, were empowered to call on any other members to assist them with the work.

The past season has been a very successful one both financially and from the standpoint of the number of members actively playing and a vote of thanks was extended the executive for their efforts.

Community Sale to Aid Hall Fund

The hall committee have appointed a committee composed of Mrs. J. H. Wagner, Ivan Paterson and H. C. Himmelfarb to accept donations of articles for the community sale to be held on Saturday, Oct. 22nd for the purpose of raising funds to renovate the hall. It is planned to put in snow and water, add a kitchen and overhaul the heating arrangements for the hall.

To do this will cost considerable and the committee are asking the public to support the effort by contributing to the community sale.

Any number of items will be gladly accepted, as also will cash donations. Please contact any one of the above, either by phone or in person, and they will arrange to have your contribution picked up.

Those who plan to give articles for the sale are asked to do so as soon as possible so that the items may be included on the sale bills.

CHURCH OF GOD NOTES

While an attitude of gratitude for the blessings of life ought to be present always, we do hope that during Thanksgiving weekend will remind us all of the Giver of every good and perfect gift. The psalmist explains, Bless the Lord, O my soul, and all that is within me, bless His holy Name.

Both morning and evening service at the Church of God will carry the Thanksgiving theme. While several of our young people plan to take in the Youth Convention in Saskatchewan this week end, and others will be away, we are looking for a good turnout for both the morning and evening service. Friends and visitors are cordially invited to attend.

Rev. Wood of the Canadian Bible Society (formerly British and Foreign) will show a colored movie entitled, "The Father's Word" at the Church of God Sunday October 16th at 8 p.m. This will be the only visit by Rev. Wood to Carleton, so a joint service has been arranged. Other ministers will be present and the male quartet from the West End Mennonite Church is expected to sing. Everyone interested in the work of the Bible Society is welcome to attend.

The Fish and Game Association are planning to hold games in the hall dining room on Saturday, Oct. 8th and 15th. Keep these dates in mind and plan to attend.

The Legion are again sponsoring the Public Clinic to be held in the Legion Hall on Wednesday, Oct. 13, from 2:30 to 5:30 p.m. Adults are asked to attend to receive their 2nd photo check at that time.

THE CROSSFIELD NEWS

The saying "strung as an in" comes to life as the fair's oldest contestant, 78-year-old Arthur Lapole, urges his powerful animal to drag a weighted sled. Last year Chester Warkin's 2010-pound team won top honours when it pulled 8600 pounds.

Skilled fingers weave birch strips into baskets for sale at the fair. Abraham Bartlett is a member of the Victorian Trade of the Algonquin Indians, which once welcomed John Cabot to the Acadian shore in 1497.

PLAN YOUR FOWL SUPPER

There's nothing so simple as planning a turkey dinner. The only thing you need to do is to make sure you have enough turkey for everyone. The average family of four needs about 10 pounds of turkey. If you have a larger family, you may need more. It's best to buy a whole turkey and have it roasted. This way you can control the cooking time and the flavor. You can also buy a turkey that has been pre-cooked. This is convenient if you don't have time to cook. But it's usually more expensive. So, if you're planning a turkey dinner, make sure you have enough turkey for everyone. And don't forget the stuffing and the cranberry sauce.

SOME OF SEVERAL AWARDS
WENT FOR ADVERTISING

For the second consecutive year, a Bank of Montreal has been first in the advertising award contest. The bank's advertising was judged to be the best in the country.

The standing is based on a survey of financial advertising carried out by Toronto's National Post, New York, reported in the annual "Bank Ad Values" review of Canadian and U.S. financial advertising. The Toronto Post National Bank

placed first among all North American banks in the past 15 years. The bank's advertising was judged to be the best in the country.

POKE AND BEANS THE WEEKLY SNUGGLE

Master—Well George, did you
get my shorts mended for me this morn-
ing?

Builder—Yes, sir. Now's a shilling
I got for them

David—Ma, this chicken has no
withbone

Ma—Maybe it was a happy and
contented chicken and had nothing
to with her

Grand—I see you are putting up a
new house

Builder—Well that's the only
kind we put up

Photographer to the woman—Can
I take a photograph of your most
at work?

Perman—Yes, if you can catch
them at it

Teacher—Have you ever heard of
Julius Caesar?

Joan—Yes, ma'am

Teacher—What do you think he'd
be doing if he were alive today

Joan—Drawing the old age pen-
sion minus

Boy Scout—Pa I shall have to be
times

Pa—Why are you ill?

Boy Scout—No but I've done so
many good turns today that I've
got dry

General—A horse saddle is al-
ways found where the bullets are
hottest. Where would you be,
Smith, during your attack?

Smith—Underneath the ammu-
nition bin, wagon sir

Farmer—Why didn't you tell me
when you saw the rabbit?

Wife—Sod—I didn't see it till it was
out of sight

Prison Visitor—Don't any of your
relatives come to see you, my man
Convict—They don't need to. They're
all in here with me

RESEARCHERS examine fossilized remains of a prehistoric animal, possibly a mammoth, at the National Health Department in Montreal. The fossil is a fragment of the animal's skull, showing the eye socket and part of the jaw.

National plant virus center opened

The National Plant Virus Center, which was opened today in Montreal, is the first of its kind in Canada. It is a joint venture of the National Health Department and the Canadian Food Inspection Agency.

The center will be responsible for the detection, diagnosis and control of plant viruses in Canada.

The center will be headed by Dr. J. G. Horsfall, who is currently working at the University of Guelph.

The center will be located in the same building as the National Health Department.

The center will be open to the public and will provide information on plant viruses.

The center will be a valuable asset to the Canadian plant industry.

F.U.A. Co-op Annual Meeting

Delegates to the 25th annual meeting of the United Farmers of Alberta (U.F.A.) Co-operative, which opened in the Palliser Hotel for five days, learned from the report of the Board of Directors that earnings of the Co-op were \$200,000.00 before income taxes on sales of \$3,000,000.00. This represents an increase in sales of 10%.

Patronage Refund was \$1,000,000.00.

President George E. Church said the unit will make a patronage dividend of 10% on the basis of patronage products and a 4% rebate on other items supplied.

The dividend recommended that dividends allocated in 1954 and 55 be paid in cash.

POKE AND BEANS
THE WEEKLY BEANSY POST
Polemics—Why don't you know
how to make a good bean dish?
You'll find it in this little Blue Book!

Why do you pay your soap of ten
on a dish?—ask the landlady of
your house.
It needs a new machine, factory
made, to produce the best.

What are you doing, Jack?
You are standing in the line
to get a new machine, factory
made, to produce the best.

THE WEEKLY NOVEL-FULL

Gentleman—Show what you got
to a gentleman who gives you a
penny for carrying his bag?
Tim—Is isn't enough these days.

The embarrassment of a boy who
falls in his crams is nothing com-
pared with the embarrassment of
his parents.

A golden is something that some
men prefer to turn over in their
hands.

Economy is half the battle of life.
It is not so hard to earn money as
to spend it well.

The best way to kill time is to
work it to death.

Teacher—Did you clean your
shoes this morning?
Sandy—No.
Teacher—No, what?
Sandy—No polish.

Fred—Stale! What's new this
morning?
Jack—The paint on the fence
you're leaning against.

Johnny—Oh dad, I've broken a
stone.

Dad—Never mind! How did you
do it?

Johnny—I was hitting it with
your gold watch!

Sandy—Hey! Your dog just bit
me on the ankle!

Jack—Well, you wouldn't expect
a little pup like that to bite you on
the neck, would you?

Gen—Do you serve crabs here?
Waiter—We serve anybody. Sit
down.

Ticket Collector—Ticket please.
Old Lady—No, fear! Go and buy
me for yourself!

The face of service

Calgary Power is more than dams, transmission lines, substations, machinery — Calgary Power is people. Through our touring family, the Browns, we have tried to show you some of these people and the facilities they use to provide plentiful, dependable electrical service. We could not possibly show them all because in order to give you the service you need, we have a team over 800 strong! Together, these 800 people make up our "Face of Service". Together, they are Calgary Power Ltd.

All of them, including General Manager A. W. Howard (who is showing Dianne Brown a map of our electrical system), are devoted to providing the best possible electrical service throughout 75,000 square miles of Alberta. And that means the best possible electrical service for you.

This goal, worked for unceasingly by all 800 members of our family, is our contribution to building a better Alberta.

CALGARY POWER LTD.
Serving the province of ALBERTA

Notice!

We have moved the Machinery and Parts business to our new addition and will operate all business from the new location.

In doing this we believe we can give you more prompt and efficient service. We will be open all week to serve you.

Due to lack of time we have been unable to start our service shop, but will start as soon as possible in the spring.

We thank you for your past patronage and hope to serve you all better in the future.
